WELCOME TO THE 2019–2020 SCHOOL YEAR

Welcome to the 2019-2020 school year at Lewis and Clark Middle School. We hope each of you will have many memorable and exciting experiences that will make this school year a positive experience!

This handbook has been prepared to inform you about your school. In it you will find the rules and regulations that we follow here at Lewis and Clark. Read this handbook carefully! Have your parents read it also. If you have any questions, see your teachers, counselors, or administrators. They will be happy to give you the answers you need.

Lewis and Clark Middle School will be whatever we make it! This is your school. Be proud of it! Take good care of it! Remember, all of our actions throughout the year reflect on Lewis and Clark, whether those actions are here at school or in the community. Let’s all dedicate ourselves to projecting a positive image of Lewis and Clark and to making our school the best that it can be.

We are committed to building quality relationships with our students and we will provide a safe learning environment with high expectations for all!

TELEPHONE CALLS
Telephone calls made during the school day must be kept to a minimum and can be made only when absolutely necessary. It is necessary for a student to make a call he/she may request the use of the phone in the attendance office.

ICU EXTRA TIME AND SUPPORT
At L&C we believe that the completion and practice of quality assignments is the key to success. Our students are required to complete all practice assignments so that they are ready for assessments of their knowledge. Sometimes a student may be in need of extra time and support. If a student falls behind and requires more extra time and support than the advisory period can provide, they will be required to attend a before or after school ICU session until their work is caught up. The morning or afternoon session is determined by the parent’s and student’s schedule and when the family can provide transportation. Morning sessions run from 7:15-8:00 a.m. and afternoon sessions run from 3:15-4:15 p.m. Morning sessions run all days of the week and afternoon sessions run Mondays, Tuesdays, Thursdays, and Fridays.

AFTER SCHOOL FUN
Discover Zone is a free after school program available to any student enrolled at Lewis & Clark Middle School. Discover Zone offers a variety of education, recreation, skill-building, character building, and STEM activities for your student to choose from. Discover Zone meets after school Monday-Thursday, until 5pm. Parents must complete a registration form for their student to attend. Forms are available at the school.

HOMEWORK HELP
Homework BOOST offers free homework assistance to any student attending Lewis & Clark Middle School. Homework BOOST meets Monday, Tuesday, Thursday & Friday 3:30-4:30 p.m. Homework BOOST is staffed by a certified teacher from Lewis & Clark Middle School. Parents must complete a registration form for their student to attend. Forms are available at the school. Please note: Student participation is voluntary, not mandatory.

STUDENTS TO STAY ON CAMPUS
Lewis & Clark Middle School has a closed campus. All students are expected to remain on campus from the time they arrive in the morning until after the 3:10 pm dismissal bell.
TARDY POLICY
All 1st period tardies will be recorded by the attendance clerk in the attendance office. When a student receives his/her 3rd tardy to a class the following consequences will be initiated:
3rd Tardy - Teacher Warning
4th Tardy - Detention With Teacher
5th Tardy - Detention With Teacher
6+ Tardies - Discipline Slip
Student Sent to Office

TRUANCY POLICY
Truancy is defined as absence from school not verified as valid by the parent and the Associate Principal. Truancies include, but are not limited to, leaving the campus without permission, spending time in unauthorized places, and not being in assigned classes. Truancy will involve a conference with the Associate Principal. Parents will be advised of the truancy and the school district attendance officer will be notified. Students will be assigned to either ISS or sent to the Truancy Center at the Lincoln Center.

NURSE/MEDICATION
The services of the school nurse are available only on a limited basis. The school does not dispense medicine of any kind, including aspirin. Any student who needs to take any medication during school hours must fill out the Self Administration form. This form requires a physicians and parents signature and can be picked up at the attendance office. This applies to all medication, including non-prescription medication such as Tylenol or Ibuprofen. All prescription medications must be left in the main office and the appropriate paper work must be filled out and signed by the parent or guardian. Students are not to sell, or distribute any medication of any kind to other students.

APPOINTMENTS
Students who have a doctor or dentist appointment during school hours must bring the note to the attendance clerk before 8:10 a.m. stating the time they are to be dismissed. Students who are late arriving at school in the morning because of an appointment should bring a note from their parents, doctor, or dentist, or have their parent call the attendance office (281-5913).

ATTENDANCE - ABSENCE EXCUSES
Being at school everyday & on time is necessary for success in school and on the job later in life. Be at school every day, but if and when you must miss, please cooperate by following these routine procedures:

ABSENCES: All absences from school must be verified. Students who are home ill should have their parents call the attendance office (281-5913) and report the absence by 10:30 a.m. On the day the student returns to school after an absence and parental contact has been made, the student will report directly to class. If a phone call was not made by the parent, a note from a parent should be presented to the attendance clerk for a proper admit to class. If no contact has been made with the parent, the student must report to the Attendance Office upon returning to school.
Students who know in advance that they will be absent should bring a note...

GETTING ASSIGNMENTS
If a student is absent from school 3 or more days, a call may be made to the attendance office (281-5974) before 9:30 a.m. and books and assignments will be gathered. Parents should make arrangements for the books and assignments to be picked up before 3:30 p.m. Parents can also access assignments on PowerSchool.

STUDENT LOCKERS
Each student will be assigned a locker for individual use. Students are not to share lockers or combinations with other students. Each student is responsible for all articles in his or her locker. Students should be sure to check to see that their locker is shut and locked when they leave it. In order to be sure that the locker is locked the dial must be turned one complete turn after the locker door is closed. The administration reserves the right to inspect all school lockers and their contents.

COUNSELORS 281-5909
At Lewis and Clark students are assigned to counselors by grade level and team. Students are, of course, free to consult with any counselor.
The counselor offices are located in the first-floor front hallway just east of the main office. Students and parents are encouraged to seek assistance at any time.
The purpose of counseling is to help students to help themselves, not to give advice. Counseling takes place in a confidential setting in which the counselor and the student discuss the student’s problem and work toward a solution. Areas in which a student might like to seek assistance are vocational planning, educational planning, discovering abilities and limitations, solving problems of a personal nature (social-emotional), and many others.

EXTRA-CURRICULAR ACTIVITIES

ELIGIBILITY GUIDELINES

Lewis and Clark Middle School encourages its students to broaden their skills, knowledge, and citizenship by participating in school sponsored extra-curricular activities. In order to participate in such school activities a student must maintain a passing grade in all courses in which he/she is currently enrolled. However, if a student receives a deficiency (failing grade), he/she may continue to participate as long as there is a grade average improvement. This guideline applies to all interscholastic and instructional athletic teams, musical productions, clubs, and student government. It will be enforced as follows:

1. Each of the five sport seasons is seven weeks long. The first grade check will be on Monday following the completion of two weeks of practice (which is the instructional/non-competitive portion of the season).

2. Staff members will keep students and coaches informed as to the students pass/fail status in each class.

3. If a student is deficient (failing in any class), the following will occur:
   a. For the first deficiency, the student will be put on probation and given one week to achieve eligibility.
   b. If the deficiency is not corrected at the conclusion of one week the student will be allowed to practice but not participate in any contest.
   c. Individual cases of eligibility will be reviewed by the coach/sponsor, associate principal, teacher(s), and principal or his designee.

4. A student must be in attendance the last half of the day to be eligible to participate in an activity scheduled for that day or receive approval from an administrator.

5. No student who is suspended out-of-school will be allowed to practice or participate on the days of the suspension.

6. The attendance and suspension rules apply to the previous Friday if there is a Saturday activity.

7. Three unexcused absences from practice will result in the student’s suspension from the activity.

8. ALL participants in athletic activities must have a parent consent form, a current physical on file in the main office, and have paid the participation fee before being allowed to participate in any activity.

FIRE DRILLS /LOCKDOWN EVACUATION PROCEDURES

The fire alarm is a continuous ringing of bells. Safety demands that the building be emptied quickly, quietly, and as orderly as possible. Each teacher will give students necessary directions in regard to exits. All students should know the directions for fire drills in each of their classrooms. Each class should completely clear the building when the fire alarm sounds. In case of fire or fire drill while classes are passing, students are to use the nearest stairs and the nearest exit.

In case of a Lockdown, teachers will secure their classrooms by locking the classroom door and waiting for safety instructions. On the lockdown command, students not in an assigned classroom will go to the nearest classroom. When we are in a Lockdown situation, no one except police will be allowed into the building until it is safe.

In case of an evacuation, Lewis & Clark will relocate all students and staff to the Elks Lodge at 934 Lewis Ave. 252-8407

SKATEBOARDING & BICYCLING

Skateboarding, longboarding and bicycling are not permitted on school campus at any time. Bikes should be locked up at all times. Longboards and skateboards are to be secured in your locker.

SCHOOL DANCES

All school dances will be held from 3:10 to 4:45 p.m. It is expected that the dress code and school rules will be followed. Only Lewis and Clark students will be admitted. Admission is $1.

EXPECTATIONS

STUDENT DRESS POLICY

Students are expected to come to school and all activities clean, well-groomed, and wearing clothes that appropriately cover the body and do not cause distractions or create a health or safety issue. This basic dress code encourages students to “dress for success” and to come to school properly prepared to participate in the educational process. Students are expected to manage their personal appearance in a manner that does not disrupt teaching and learning, promote vulgarity or obscenity, advertise illegal substances, tobacco, alcohol, advertise weapons or violence, or express double meanings that are inappropriate. All students are expected to wear comfortable, safe, and appropriate clothing in P.E. class (sweats, shorts, athletic shoes, tee shirts).

In keeping with the above philosophy, and in order to reduce misunderstanding, inappropriate school wear includes, but is not limited to the following:

- Hats, sunglasses, bandanas, and visors will not be worn inside the building.
- Students are not to wear outerwear jackets in the classrooms. Basic sweatshirts and sweaters are permitted.
- Shorts and skirts are expected to be at least fingertip length or 5 inches above the middle of the knee cap, whichever is longer; low necklines, sheer, strapless, bare midriff or bare back design will not be permitted. No halter tops or spaghetti straps.
- Bra straps and all under garments should not be exposed.
- Destroyed and distressed pants must not have holes in places that expose undergarments.
- No clothing that could be considered pajamas or slippers will be worn to school.
- Pants must be secured at the waistline and may not hang down exposing undergarments.
- Footwear must have a sole that would be appropriate for walking outside in any weather condition in case of an unexpected evacuation of the building.
- Any style of clothing, jewelry, accessories, personal items, electronic equipment, grooming, or tattoos that is associated with gang membership will be prohibited.
- Clothing, jewelry, contact lenses, and other body accessories that could constitute a health problem, a hazardous situation, or a distraction will be prohibited. This includes, but is not limited to, wallet chains, chains attached to clothing, and wristbands.
- Writing and drawing on other students’ skin, clothing, locker, or other personal belongings is prohibited.
- Gang Activity or Association

For the purpose of this dress policy, a gang is an unauthorized group of three or more people who demonstrate the following traits:

- exhibit antisocial behavior often associated with crime or a threat to the community;
- interact together to the exclusion of others;
- claim a territory or area;
- have a name;
- have rivals/enemies, and/or
- create an atmosphere in which the well-being of students, staff, or any other person is adversely affected by undue pressure, behavior, intimidation, overt gesture, or threat of violence.

Failure to cooperate with the dress code policy will result in one or more of the following:

- Change to appropriate clothing of the student’s or from the school’s collection.
- Parent notification to bring appropriate clothing to school
- Disciplinary consequence.

BULLYING

Lewis & Clark has “Zero” tolerance for bullying, harassment and intimidation on school property, to or from school, on a school bus or other school vehicle, at school-related functions or activities, or by electronic communications.

1. “Bullying” means any harassment, intimidation, haz ing, or threatening, insulting, or demeaning gesture or physical contact, including any intentional written, verbal, or electronic communication or threat directed against a student that is persistent, severe or repeated and that:

(a) causes a student physical harm, damages a student’s property, or places a student in reasonable fear of harm to the student or the student’s property.

The following list is a summary of a few important policies. Your good behavior and your respect for the feelings of others will insure that you will have the best possible school and learning environment for a successful year.
Bullying Cont…

(b) creates a hostile environment by interfering with or denying a student’s access to an educational opportunity or benefit; or
(c) substantially or materially disrupts the orderly operation of a school.

2. Bullying includes retaliation against a victim or witness who reports information about an act of bullying and includes acts of hazing associated with athletics or school sponsored organizations or groups.

Students who violate this policy will face disciplinary action. Depending upon the severity of the offense, consequences will range from detention, to in-school suspension, short term suspension, or expulsion.

(See Policy 3210 and the Harassment/Intimidation/Bullying Incident Reporting Form)

SEARCHES

The goal of search and seizure with respect to students is meeting the educational needs of children and ensuring their security. Reasonable searches may be carried out to recover stolen property, to detect illegal substances or weapons, or to uncover any matter reasonably believed to be a threat to the maintenance of an orderly and safe educational environment.

School authorities may inspect and search school property and equipment owned or controlled by the District (such as lockers, desks, parking lots), as well as personal effects left there by students, without notice or consent of a student.

The School District may request the assistance of law enforcement officials, including their use of specially trained dogs, to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or material. The School District also utilizes video surveillance to ensure the health, welfare, and safety of all staff, students, and visitors.

School authorities may search a student or a student’s personal effects in a student’s possession when reasonable grounds suggest a search will produce evidence that the particular student has violated or is violating a law or District student conduct rules.

When a search produces evidence that a student has violated or is violating a law or District policies, procedure, rules, and handbooks such evidence may be seized and impounded by school authorities and disciplinary action may be taken.

(See Policy 3204 & 3204 P-1 through P-3)

ACCESS TO ELECTRONIC INFORMATION, SERVICES, NETWORKS

The District provides electronic equipment and networks, including access to the Internet, as part of its instructional program and to promote educational excellence by facilitating resource sharing, innovation, and communication. The District expects all students to take responsibility for appropriate and lawful use of this access, including good behavior on-line. The District may withdraw student access to its network and to the Internet when any misuse occurs.

1. EDUCATIONAL PURPOSES ONLY. All use of the District’s electronic network must be: (1) in support of education and/or research, and in furtherance of the District’s stated educational goals; or (2) for a legitimate school business purpose. Use is a privilege, not a right.

Students and staff have no expectation of privacy in any materials that are stored, transmitted, or received via the District’s electronic network or District computers.

The District reserves the right to monitor, inspect, copy, review, and store, at any time and without prior notice, any and all usage of computers, systems, networks and Internet access and any and all information transmitted or received in connection with such usage.

2. UNACCEPTABLE USES OF NETWORK.
A. Uses that violate the law or encourage others to violate the law.
B. Uses that cause harm to others or damage to their property.
C. Uses that jeopardize the security of computers, systems, or networks of the District or others.
D. Exposing self or others to the potential of personal harm.
E. Uses that are commercial transactions.
