WHITE BEAR LAKE AREA SCHOOLS

2019-20 ACADEMIC YEAR CALENDAR

ISD624.ORG
Back to school information:

**Emergency Weather Closing**

When a decision is made to close schools, an announcement will be made over major radio and television stations as early as the morning as possible. The announcement will identify our school district as White Bear Lake Area Public Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Twitter page, or call the White Bear Lake Area School Closing Hotline number at 651-407-7538.

**Transportation**

Bus route information will be mailed to parents approximately one week before the first day of the school year. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

**Early Childhood Screening - Screen At Three**

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten. The best age at which to screen is age three. The White Bear Lake Area School District provides this screening at no charge.

3 reasons to screen at 3:
1. Screening can ensure school success
2. If health or developmental concerns are identified, educational services are available
3. It is fun and provides parents/guardians with valuable information regarding child development

Register online:
https://whitebear.ce.elyo.com
or 651-653-3100

Early Childhood Screening takes place at: Normandy Park Education Center 2482 East County Road F White Bear Lake, MN 55110

**Minnesota Student Immunization Law**

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

The following vaccines are required for all students entering kindergarten:
- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

The following vaccines are required for all students grades 1-12:
- Hepatitis B - three doses
- DTaP - three doses
- Polio - three doses
- MMR - two doses
- Varicella - two doses

Before entering 7th Grade:
- Tdap - one dose
- Meningococcal - one dose

Before entering 12th Grade:
- Meningococcal - two doses

For more information about immunizations, please contact your school nurse or health office.

**Community Use of School District Facilities**

The Community Services and Recreation Department maintains the school facility reservation schedule. Requests to use school district facilities should be made by emailing facilities@isd624.org or through the Facilities Scheduling line at 651-407-7533. Facility details and rental agreement information can be found at isd624.org/CommunityServices.

Scheduling requests should be made at least one week prior to the desired reservation date. If desired reservation date is less than one week from the activity date, the Community Services staff will make every effort to accommodate requests in a timely fashion.
School Breakfast/Lunch Program
The school district's Nutrition Services Program provides nutritious breakfasts and lunches at each school. Milk is included with meals and may also be purchased separately.

The White Bear Lake Area Schools offer a computerized meal payment system. Money is deposited into the student’s individual account. During meal time, students enter a personal identification number (PIN) on a keypad that will access their account. Deposits into student accounts can be made each day at school or on the District website.

Students whose families qualify may receive free or reduced-price meals by completing the application available at their school. Applications can then be submitted to the Nutrition Services Office at 4855 Bloom Avenue in White Bear Lake and online at mealapp.isd624.org. The District follows strict non-discrimination rules to protect the anonymity of its students.

The department and the Minnesota Department of Education sponsor the USDA Child Nutrition Program. The USDA is an equal opportunity provider and employer.

Información para el regreso a clases:

Cierre de emergencia por el clima

Cuando se toma la decisión de cerrar las escuelas, se hace un anuncio por las principales estaciones de radio y de televisión tan temprano por la mañana como sea posible. En el anuncio se identificará a nuestro distrito escolar como White Bear Lake Area Public Schools. También usaremos el sistema de alarma de notificación de padres para notificar a las familias de los cierres de las escuelas. Si no se hace ningún anuncio, las escuelas abrirán según lo planeado. Los padres también pueden consultar el sitio web del distrito o la página de Facebook/Twitter, o llamar a la línea de cierre de Escuelas del Área de White Bear Lake al 651-407-7540.

Transporte

La información de la ruta del autobús se enviará a los padres aproximadamente una semana antes del primer día del año escolar. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la llegada del autobús. Los estudiantes solo pueden usar el autobús asignado para ir y regresar de la escuela. No se permite que los estudiantes utilicen el autobús para fiestas de cumpleaños, exploración ni otras actividades. Los horarios del autobús son un tanto flexibles durante la primera semana de escuela mientras los choferes se familiarizan con las rutas.

En caso de mal tiempo, los conductores del autobús tratarán de mantener sus horarios. Sin embargo, si los caminos están congestionados o cubiertos de nieve, los autobuses pueden llegar tarde; los padres y los estudiantes deben planificar considerando eso. Los padres deben decidir si enviar o no a sus hijos a la escuela en días extremadamente fríos.

Para obtener más información sobre el transporte del distrito, llame a la Oficina de Transporte al 651-407-7538.

**Programa de desayuno/almuerzo escolar**
El Programa de Servicios de Nutrición del Distrito provee desayunos y almuerzos nutritivos en cada escuela. La leche se incluye con las comidas y también se puede comprar por separado.
Las Escuelas del Área de White Bear Lake ofrecen un sistema de pago de comidas computarizado. Se deposita dinero en la cuenta personal del estudiante. El estudiante ingresa su PIN en un teclado por el que accede a su cuenta al comprar su desayuno o almuerzo. Los depósitos en las cuentas de los estudiantes se pueden hacer diariamente en la escuela o en el sitio web del distrito.
Los estudiantes cuyas familias reúnen los requisitos pueden recibir comidas gratuitas o a precio reducido completando la solicitud disponible en la escuela. Las solicitudes se pueden enviar a la Oficina de Servicios de Nutrición, 4855 Bloom Avenue en White Bear Lake o en línea en mealapp.isd624.org.
El distrito sigue regulas estrictas de no discriminación y protege el anonimato de los estudiantes. El departamento y el Departamento de Educación de Minnesota patrocinan el Programa de Nutrición Infantil USDA. USDA es un empleado y proveedor de igualdad de oportunidades.
