

Coming This Fall to Abbott Middle School:

Eagle MUN

Competitive Model United Nations Team

What is Model UN?

Model United Nations is a form of debate, in which students act as representatives of different nations and important persons with the purpose of creating solutions for a variety of problems facing the world. Through this club students will gain skills in public speaking, researching and formal writing, as well as collaboration and diplomacy. They will also learn about global issues both in the present and historically.

Interested?

1. Fill out the interest survey:

2. Join us for an informational meeting in the fall.
3. Email Miss Weiner at emily.weiner@wbsd.org.

When is it?

The club will meet during Advisory on WOW Wednesdays in Miss Weiner's classroom (3C). In the spring, **the team will travel to Michigan State University** to compete at the Red Cedar Model United Nations conference.
