## Learning for Life Fund

### Funding Application

#### **Philosophy of the Learning for Life Fund**

The Learning for Life Fund was set up to enhance the career learning experiences for students at KHS. Michael Herklots, who has been instrumental in raising money for this fund, deeply believes in the impact that connecting students with careers makes on an individual's future success. These monies are meant to supplement activities/events/field trips or speakers within the Career Pathways. Therefore, making those connections through speakers, field trips, competitions, etc. requires that students be vested in the process through fundraisers to reach their goal to attend an event or bring a speaker into the school. The Learning for Life Fund will help supplement money that could not be raised through a reasonable effort by parents/guardians and students to acquire the funds needed.

In accordance with the Learning for Life Fund philosophy above,
