

## Splash Weeks

Dear Parents,

As the Spring Term begins we are delighted to introduce swimming into our Kindergarten curriculum. This is a fun water skills activity aimed to provide our children with confidence in and around water. The sessions are led by Miss Hanley, who is a member of our staff and is a qualified swimming teacher, who is very confident teaching younger children. She will be supported by Miss Mahon in the water with an additional member of staff on the pool side. We are fortunate to be able to offer this activity in small groups of six children which will ensure the children are receiving excellent teaching.

Please find below a timetable of sessions. For your child's session, please could you provide the following?

- Navy costume/Navy trunks
- BGS swim hat
- 2 large towels
- Goggles (not essential)

The Kindergarten Team
