October 2018

## **Parent Portal – ISAMS App**

An exciting development in school communication is our new Parent Portal accessed online or via the ISAMS Parent Portal app. Two of the key features of our new IT system, ISAMS, are the portals for parents and pupils. Over the next two academic years, we plan to release information about school life to you via the Parent Portal and ISAMS Parent Portal app. This will range from your son/daughter's timetable, the school calendar, notices about events, news bulletins, fixture cancellations, merits and interim reports.

We are going to start using the Parent Portal by issuing the **December 2018 School Report** via the Parent Portal and ISAMS app. This will mean that you will have access to all future school reports that your son/daughter receives electronically for the duration of their school career. Once we have established that the Parent Portal is a success and is accessible, we will start to use the other features listed above and introduce the Pupil Portal. The potential for the Parent and Pupil Portal for improving access to information is enormous and we hope that they will assist with organisation and communication.

**In order for the introduction of the Parent Portal to be a success, it is vital that we have up to date and accurate email information for you.** If your email address has changed, or you do not receive emails from us please will you update your email address by contacting [communications@burygrammar.com](mailto:communications@burygrammar.com) under the title: Parent Portal and listing your son/daughter's name by **Friday 2<sup>nd</sup> November**? Once we are in receipt of all email updates, more details will follow about how to register for the Parent Portal after half term.

Kind regards,

*V Leaver*
