

CHRISTMAS MARKETS

Saturday 24th November 2018, 10.00am – 4.00pm

Save the date for this year's brand new BGS Christmas Markets extravaganza. We will still have the usual favourites such as Santa's grotto, Teddy and Chocolate Tombolas, festive games, and refreshments. We have many brand new exhibitors selling everything from the cutest cupcakes, bespoke flower gifts to candles and books. Get ahead of the seasonal rush and pick up some of your key Christmas buys such as specialised crackers and Christmas puddings.

There will be plenty to keep the children entertained too. Besides Santa and his merry elves in the Grotto, they can explore on our treasure hunt, get festive glitter hair, or body glitter tattoos, whilst you enjoy the refreshments or entertainment from the live singing and music in the hall.

We have limited sponsorship opportunities this year on the day and in our glossy colour brochure. If you are interested in having your business promoted to the whole BGS community, or know someone who might, contact Jillian on 07779 578572 or email: jjosephson@asthampsons.co.uk.

To help the Fair be as successful as possible we need your help with:

Teddy Tombola - Donations of used teddies and soft toys in good condition wanted.

Chocolate Tombola - Donations of wrapped chocolates, big or small wanted.

General Tombola - Any bric-a-brac, unopened toiletries, unwanted gifts. No electrical items please.

Raffle prizes - We need prizes for both adult and children's raffles.

Used uniform - Any outgrown uniform in good condition wanted for our used uniform stall.

Tombola or raffle donations or second hand uniform donations can be taken into the school offices at any time.

We should also be grateful for the donation of cakes/mince pies for the refreshment stall, which can be brought into the school office on Friday 23rd November.

The Fair is only possible if we have enough help on the day. If you can offer us any time setting up on Friday 23rd or on the day this would be a great help. The Fair raises an average of £5,000 a year - all spent on projects in school.
