Dear Parents,

The first day of school is always one of great anticipation, excitement and a little nervousness... and that is just the parents! As you and your children settle into the routines of the day it becomes apparent that our little people are ready for the challenges ahead. From stepping through the gate, the children immerse themselves in our newly refurbished stimulating environment. Busy inquisitive minds are continually at work and it is incredible just how much they absorb. You will be amazed on a daily basis just how much progress your child makes not to mention the fun they have!

We look forward to starting our term with a Welcome Evening on the 12th September from 6pm to 7pm. We hope to see as many parents as possible.

Yours sincerely,

*Mrs C Howard*

*Head of BGS Kindergarten*

## First day of school for new Kindergarten pupils

**The new intake of Kindergarten pupils began their first day at Bury Grammar School on Thursday.**

Pupils enjoyed playing with sand, in the water area, using playdough and enjoying outdoor activities.

They also introduced themselves to their peers.

There was story time in the afternoon as staff read 'Sharing the Show' and 'The Gingerbread Man' and circle time as the children sung songs.
