

June 2018

Dear parent

Following on from our Transition Information Evening in April, I would like to invite you to a 'Meet the Teacher' event on Monday 2nd July, from 3.15. The event will be an informal opportunity for you to see the classroom setting where your child will be based and meet your child's new class teacher. The teacher will be available to answer questions regarding any aspect of your child's education next year, and to offer guidance and support on how best to help your child prepare for Reception. The transition process is very important to us, and the smooth transition of the children to their next setting is a big focus at this time of year. Your child's new teacher will have the opportunity to play with your child in the Pre-school, in their comfortable setting, and the children will have several visits to their new class in preparation.

If you have any questions regarding the evening or around transition in general prior to the event, please do not hesitate to get in contact.

Kind regards,

Carl Shuttleworth
