

# COMMUNITY EDUCATION ENRICHMENT

LEVEL UP!

OH!

FALL 2019

# ABOUT COMMUNITY EDUCATION

Eanes ISD's Community Education Enrichment Programs are dedicated to providing quality education in a variety of subjects to students of all ages. We offer many diverse classes, fulfilling both academic and recreational needs.

Your support of Community Education also gives back to our schools. All profits from the Enrichment Courses are returned to the district in the Eanes general fund. This fund provides raises for teachers, new equipment, and more!

The success and interest of our programs depends upon meeting the continuously changing needs and interests of our community. If you are looking for a class that you are interested in and do not see it offered, please call and let us know!

## ONCE YOU HAVE REGISTERED

Check your email for the receipt and confirmation of your class registration. If you do not see your confirmation you may have a different email address attached to your account. This can be changed by logging in.

### Update your child's Campus Dismissal Manager through Smart Tag.

This is the only way your child's teacher will escort them to the designated meeting spot for your campus.

You may provide a water bottle. **ALL CLASSES ARE A NUT FREE ZONE**; some classes allow or provide snack. Check with your instructor to see if you can provide a snack for your child or if one will be provided for them.

Some classes with LEGO kits and electronics do not allow snacks in the room.

\*\*The front office staff at your campus may not have the answer to your Community Education questions, as we are a separate department.

**Please direct questions to Kyle Groover.**

**512-732-9022 x1 - kgroover@eanesisd.net\*\***

**Each class must have a minimum number of students for the class to be held so don't wait until the last minute. Invite your friends!**

Registrations are processed on a first-come first-serve basis and will stay open one week after the class has started. There is no prorated fee for late registration.

**ONLINE** eanes.augusoft.net

**PHONE** (512) 732-9022 x1 or x4

Mon - Fri, 8:30am - 5:00pm

**WALK-IN** Monday - Friday, 8:00am - 5:00pm

601 Camp Craft Road 78746

### **Refund Policy**

**90% refunds are processed with written requests sent to kgroover@eanesisd.net 1 week prior to the start of the class.**

**100% refunds are processed automatically when a class is canceled by the instructor or Eanes Community Education.**

## Athletics and Personal Growth

---

### ATX Ballers

ATX Ballers Basketball provides skills-intensive lessons and fun games and matches! We welcome all skill levels, and split up the different grades/skills levels on separate courts.

### BCE Newspaper with Lisa Kutchman

Do you like to write? Do you like to share stories with your friends & family? Come start a newspaper with us. This is not your boring, adult newspaper. No, it's totally designed for kids, by YOU! You will learn about the parts of a newspaper, how to write an interesting article, how to edit & revise, the designs & layouts of a newspaper, and how to use technology to put it all together. Become a better writer, create something unique, & have FUN!

### Golf in Schools

Golf in Schools is a comprehensive program that teaches skills for golf and skills for life. We provide all equipment and students receive in-depth training in golf fundamentals, as well as develop critical traits like teamwork, goal-setting, and striving for their personal best. Our highly-developed, high-energy, six-tiered curriculum is designed to make learning golf fun for every child!

### G10 Cross Country Runners Club

- \*Increase the fitness level of our youth
- \*Teach our youth to properly warm-up/cool down
- \*Introduce our youth to running for conditioning
- \*Introduce our youth to running as a sport
- \*Track the kids mileage weekly
- \*Awards given for reaching mileage goals (5k-10k-Half Marathon-Marathon)
- \*Opportunities for running events/competitions on the weekends

### G10 Little Champions Strength and Speed Training

- \* Core Strength
- \* Running Mechanics Specific to: starting, acceleration, top speed
- \* Speed Endurance
- \* Agility/Changing direction
- \* Jumping Mechanics
- \* Balance
- \* Confidence
- \* How to have FUN

## **Kardivas**

Kardivas is a character club for girls that meets after school on our campus. It exists to teach and encourage young girls that they are uniquely created with a purpose, that they have integrity and worth, and something valuable to contribute. We combine weekly meetings, social events and service to our community. Club meetings are fun and lively. We have snacks, give awards, play ice breaker games and have a presentation of a topic each week, followed by discussion. Topics include: telling the truth, why is gossip bad, how to be a good friend, setting boundaries, forgiving others and being thankful.

## **The Knight School High Energy Chess**

The Knight School provides a super-fun, high-energy chess class that features “Tactics Belts,” “Toast Games,” “Daily Puzzlers,” “Zany Videos,” and colorfully-bracketed ongoing tournaments. Come join us this semester and get awesomely good at chess tactics! (1st - 5th Grade)

## **West Austin Volleyball**

Bump, set, spike! For our young elementary level players (1-5th grade) we develop a solid base of fundamental skills as well as a passion for the sport. Each class will include stretches, warm-up drills, and teaching the game and the basic skills. Class will be divided by skill levels. Go to [WestAustinVolleyball.com](http://WestAustinVolleyball.com) for more info

## **Zen Bug Yoga**

Zen Bug Yoga provides a multi-sensory approach geared toward each age group’s developmental needs & attention spans so kids can get moving, be inspired & use their imaginations to cultivate mindfulness. Our innovative curriculum organically allows kids to explore natural boundaries, learn self-regulation, develop their independence, and build relationships to help them grow into confident, kind and successful human beings.

## **STEM**

---

### **Camp Einstein**

**Modern Marvels** - Is your child fascinated by the way things work? This class is all about innovation and design as we explore modern science and the devices that have improved our everyday life! We will study how engineers design bridges and vehicles, recreate earth moving equipment that dig giant tunnels, and explore the science behind robotic limbs! Student’s will tinker, design, and construct in this hands-on camp!

**Survival Science** - Ever wonder what you would do if stranded on a deserted island? This class will teach you the skills you need in order to survive! Learn fun and practical skills, whether you find yourself in the cold or on a tropical island! Campers will learn how to filter water, build a shelter, and how to care for injuries on their own!

### **Camp Fire Club**

Camp Fire Club promotes outdoor skills while fostering an interest in science, art and environmental ethics

# BARTON CREEK

ELEMENTARY SCHOOL

## Maker Club with Kate Richter

Does your child enjoy thinking outside of the box and letting their creativity run wild? Then Maker Club is the place for them! Participants will have the opportunity to collaborate on various STEAM-focused projects with BCE librarian, Ms. Richter. Specific activities will be driven by students' interests, but all will revolve around the concept of making something new. Possible sessions might include directing stop motion animated films, creating arts and crafts, developing video games, constructing inventions for design challenges, problem solving with robots, and tinkering with circuits.

## Marvelous Mathematicians and Their Methods with Katie Poole

Come discover the genius minds behind how we do math and have fun with hands-on investigations of their ideas and practices.

## Language, Culture, & Culinary Arts

---

### Spanish for Kids

**Level 1** - Our interactive Spanish program, taught by experienced teachers, introduces students to new vocabulary and Hispanic culture through songs, stories, and games. Our goal is to build Spanish vocabulary and help students achieve fluency in basic conversations, preparing them for future language classes. This Level 1 class builds vocabulary by themes such as numbers, colors, body parts, days of the week, and more.

**Level 2** - Our interactive Level 2 Spanish class, taught by experienced teachers and designed for motivated students, continues to grow students' vocabulary and grammar skills, encouraging students to speak and write in complete sentences. Our goal is to help students achieve fluency in basic conversations, preparing them for future language classes, travel abroad and communication with Spanish speakers!

Prerequisite of our Level 1 Spanish class or equivalent required.

## Sticky Fingers Cooking

Let your children release their inner Masterchef! We're whipping up some fresh and tasty content for your budding kid chef this season by focusing on 3 super fun COOL-inary themes in our after-school cooking classes: FUN-da-mentals, Kitchen Tools PhD, and COOL-inary Confidence. Our professional chef instructors guide kid chefs by providing safe, entertaining, hands-on learning throughout the class, but it's the kid chefs who do the prepping and the cooking! Our class sessions are a BLAST for all ages and recipes are never repeated throughout the school year! When kids get to touch the ingredients and have a hand in creating their food, they're much more willing to try new foods. We provide all of the tools, ingredients, and instruction needed to cook up a delicious, healthy and hearty after-school snack each week. Our online recipe collection is included as well for loads of future family cooking fun at home! Sticky Fingers Cooking is 100% nut-free. We CAN and WILL accommodate ANY and ALL food allergies

## Westlake Chinese Academy

**Children's Chinese Conversational and Reading Class Level 1-** This program focuses on developing conversational, presentation and character reading & writing skills. Students will learn vocabulary and conversations in the following topics: pinyin-the Chinese pronunciation system, name, age, family, numbers, colors, fruits&vegetables, snacks&fast food, animals, clothing and body parts

## Music and Art

---

### Barton Creek Choir with Cindy McNicholas

**Blue Jay Singers-** Does your Third, Fourth, or Fifth Grader like to sing, dance, act, perform and wear awesome? Then Blue Jay Singers is just for you! We will be performing a fun and exciting musical for the holiday! We will rehearse every Tuesday afternoon from 2:50-4:00pm in the music room. We will start Tuesday, Sept 10th and end on Tuesday, Dec 17th. Come sing and swing with the Barton Creek Show Choirs!

**Little Blue Jays-** Does your First or Second Grader like to sing, dance, act, perform, and wear awesome costumes? Then Little Blue Jays is just for you! We will be performing a fun and exciting holiday musical! We will rehearse every Thursday afternoon from 2:50-4:00pm in the music room. We will start choir on Thursday, September 12th and end on Thursday, December 12th. Come sing and swing with the Barton Creek Show Choirs!

### Young Rembrandt's ATX

**Elementary Drawing-** Fall is a bountiful season, so harvest your child's creativity with a Young Rembrandt's drawing class. Students will study color, pattern and design by creating seasonal illustrations like taffy apples and a scarecrow. We'll also explore stylized art through a tarantula line art and Van Gogh-inspired sunflower drawing. Register today!

**Elementary Cartooning-** New sessions with Young Rembrandt's! Students will have a blast drawing their favorite emojis in a fun collage as well as explore color with our watch color wheel lesson. Seasonal art will be a hit, as we do a cartoon style drawing of a dog with antlers and a candy cane graphic. All this and more await your child in the Young Rembrandt's classroom. Sign up today!

### Kuk Sool Won Martial Arts

Kuk Sool Won is a Traditional Korean Martial Arts System which covers the entire spectrum of traditional martial arts training. These includes (but not limited to): Honesty, Respect towards Parents, Teachers and Peers. Also Kuk Sool Classes can address Behavior Concerns, Socialization/Coping Skills, Mediation Development, Physical Conditioning, Self-Defense, Confidence and FUN. All leading to academic and family success! Instruction provided by Sa Bo Nim Gholston 4th Degree Assistant Master of the World Kuk Sool Association.

### Sports Movement

**Cricket+Soccer Excellence** - Learn 2 Sports for the price of one!

Children will learn both Cricket and Soccer in this program in alternate weeks during the 7-week course. Each week, the kids will be introduced to the various facets of these two wonderful Sports. The 7th week will feature a competitive match and certificates will be awarded to all kids.

Cricket lessons will be about batting, throwing and fielding.

Soccer lessons will teach the kids the basics of dribbling, passing and shooting. Instruction will be through fun activities, games and team drills.

Learning multiple Sports produces enhanced motor skills, improved hand-eye coordination, better teamwork and strong leadership.

## **West Austin Volleyball**

**Volleyball Developmental Skills** - Bump, set, spike! For our young elementary level players (1-5th grade) we develop a solid base of fundamental skills as well as a passion for the sport. Each class will include stretches, warm-up drills, and teaching the game and the basic skills. Class will be divided by skill levels. Go to [WestAustinVolleyball.com](http://WestAustinVolleyball.com) for more info.

**Advanced Volleyball Developmental Skills** - This 6 week- 2 hour session (for 4th-5th graders) will include intermediate skills to students who have previously participated in our beginner's programs or another volleyball organization's program. In this session, very specific specialty skills will be covered to continue developing the all-around player. Coaches will evaluate players to keep class competitive and challenging. Class is designed to increase repetition and the drills learned in the beginner's class.

## **Zen Bug Yoga**

Zen Bug Yoga provides a multi-sensory approach geared toward each age group's developmental needs & attention spans so kids can get moving, be inspired & use their imaginations to cultivate mindfulness. Our innovative curriculum organically allows kids to explore natural boundaries, learn self-regulation, develop their independence, and build relationships to help them grow into confident, kind and successful human beings.

## Coding with Kids

**Little Coders 1st-2nd** - Get them started early! The Little Coders class provides young students with the basics of computational thinking skills, such as loops and conditionals, through a fun blend of hands-on activities. The curriculum is built specifically for this age group, with a mix of activities from coding puzzles and board games to easy-to-use, drag-and-drop programming tools. Projects are updated each session, so returning students will have new challenges to work through and advance their knowledge..

**Video Game Development 3rd-5th** - This course introduces kids to computer programming through the fun and excitement of building video games. Working in Scratch, a drag-and-drop programming tool, students will create everything from animations to multi-level games. Beginner Students will learn the core concepts of programming a game, such as loops, conditionals, and variables. Intermediate Students will level-up to more complex concepts, like nested conditionals and functions with parameters. Projects are updated each session, so returning students will have new challenges to work through and advance their creativity and knowledge to the next level.

## Start-Up Kids Club

A hands on entrepreneur program that teaches kids how to start their own business.

## Language, Culture, and Culinary Arts

### Spanish with Steven Bitner

**Spanish for Beginners Level 1** - Our Spanish program is developed using a Language Experience approach method, so kids can learn their second language the same way they learned to speak. The program introduces students to new vocabulary and cultural experiences every week utilizing a variety of resources including books, technology, games, songs, rhymes and hands on activities. This class will develop student's vocabulary by themes such as calendar, holidays, colors and shapes, parts of the body and more. We will also provide fun opportunities to monitor progress and enrichment activities to practice at home. All materials will be provided.

**Spanish for Beginners Level 2** - Our Spanish program is developed using a Language Experience approach method, so kids can learn their second language the same way they learned to speak. The program continues developing students vocabulary and cultural experiences every week utilizing a variety of resources including books, technology, games, songs, rhymes and hands on activities. This class will develop student's vocabulary by using videos, picture books and other printed resources, as well as interactive apps. We will also provide fun opportunities to monitor progress and enrichment activities to practice at home. All materials will be provided.

## **Sticky Fingers Cooking**

**Sticky Fingers Cooking** - Let your children release their inner Masterchef! ### **ATX Ballers**

ATX Ballers Basketball provides skills-intensive lessons and fun games and matches! We welcome all skill levels, and split up the different grades/skills levels on separate courts.

### **Austin Youth Fitness**

**Running Club** - Austin Youth Fitness Running Groups focus on improving running endurance and overall fitness, developing “functional” strength, flexibility, and improving core strength and body alignment. Participants will participate in drills, practice form, run in relays, and our groups always end with a fun filled game! AYF athletes will likely see improvements in self-image, confidence, attitude, social-interpersonal- relationship-skills, as well as an increased ability to focus on tasks and schoolwork.

**Biking Club** - Our focus is improving biking skills as well as improving endurance and participant’s overall fitness. Bikers will become familiar with bicycle safety, learn the rules of the road, learn to utilize their gears, and will gain strength in their biking ability. Further, participants will likely see improvements in self-image, confidence, attitude, social-interpersonal- relationship-skills, as well as ability to focus on tasks and schoolwork.

### **Golf in Schools**

Golf in Schools is a comprehensive program that teaches skills for golf and skills for life. ## **Westlake Tennis Champs**

**10 and Under Tennis Sessions 1 & 2** - Start to prepare your child early for middle school tennis! Come out and join us immediately after school in the gym. We will be instructing your child on the fundamentals of the lifetime sport of tennis in a fun environment. The game of tennis prepares your child to play other sports. The class curriculum includes various drills that develop the coordination necessary to play tennis. The class will be taught by a USPTA professional with years of experience. We use special balls and nets, and we even furnish the rackets. We separate by age and ability if possible, and with each session we introduce more concepts.

## **Yoga For Kids with Tonya Van Dyke**

Yoga class geared towards children 1st-3rd grade. Teaching children the importance of movement, and kindness through fun, interactive yoga based activities. Tonya Van Dyke is a certified kids yoga instructor through Next Generation Yoga and a proud special education teacher at Cedar Creek Elementary. Children get to take a yoga mat home at the end of the 6 weeks.

Our highly-developed, high-energy, six-tiered curriculum is designed to make learning golf fun for every child!

### Heart to Heart

Heart to Heart is a faith based program for 5th grade girls dedicated to providing a positive, supportive environment where the girls can develop lifelong character and values through fun activities and lessons on truthfulness, loyalty and friendship.

### The Knight School

**Open Class** - The Knight School provides a super-fun, high-energy chess class that features “Tactics Belts,” “Toast Games,” “Daily Puzzlers,” “Zany Videos,” and colorfully-bracketed ongoing tournaments. Come join us this semester and get awesomely good at chess tactics! (1st - 5th Grade)

**Girls Class** - The Knight School provides a super-fun, high-energy chess class that features “Tactics Belts,” “Toast Games,” “Daily Puzzlers,” “Zany Videos,” and colorfully-bracketed ongoing tournaments. The class offers a positive environment to encourage our incredibly smart girl players. Come join us this semester and get awesomely good at chess tactics! Open to Girls 1st - 5th Grade.

## **Kuk Sool Won Martial Arts**

Kuk Sool Won is a Traditional Korean Martial Arts System which covers the entire spectrum of traditional martial arts training. These includes (but not limited to): Honesty, Respect towards Parents, Teachers and Peers. Also Kuk Sool Classes can address Behavior Concerns, Socialization/Coping Skills, Mediation Development, Physical Conditioning, Self-Defense, Confidence and FUN. All leading to academic and family success! Instruction provided by Sa Bo Nim Gholston 4th Degree Assistant Master of the World Kuk Sool Association.

## **Sports Movement - Soccer**

This Soccer program at Eanes elementary for grades 3-5 is all about having fun playing this wonderful sport. Each week, the kids will be introduced to the various facets of the game. And the 7th week will feature a competitive match and certificates will be awarded to all kids. Soccer lessons will teach the kids the basics of dribbling, passing, shooting and goalkeeping. Instruction will be through fun activities, games and team drills.

## **Soccer Shots - Classic (ages 3-5) and Mini (ages 2-3)**

Soccer Shots - The Children's Soccer Experience - is a leader in youth soccer development. Our nationally recognized program offers a high energy, fun, and age-appropriate introduction to the wonderful game of soccer. Our innovative curriculum emphasizes both soccer skills and character development. Our goal is simple: to leave a lasting, positive impact on every child we coach.

## **West Austin Volleyball**

**Volleyball Developmental Skills** - Bump, set, spike! For our young elementary level players (1-5th grade) we develop a solid base of fundamental skills as well as a passion for the sport. Each class will include stretches, warm-up drills, and teaching the game and the basic skills. Class will be divided by skill levels. Go to [WestAustinVolleyball.com](http://WestAustinVolleyball.com) for more info.

## **Westlake Tennis Champs**

**10 and Under Tennis Sessions 1 & 2** - Start to prepare your child early for middle school tennis! Come out and join us immediately after school in the gym. We will be instructing your child on the fundamentals of the lifetime sport of tennis in a fun environment. The game of tennis prepares your child to play other sports. The class curriculum includes various drills that develop the coordination necessary to play tennis. The class will be taught by a USPTA professional with years of experience. We use special balls and nets, and we even furnish the rackets. We separate by age and ability if possible, and with each session we introduce more concepts.

## **Zen Bug Yoga**

Zen Bug Yoga provides a multi-sensory approach geared toward each age group's developmental needs & attention spans so kids can get moving, be inspired & use their imaginations to cultivate mindfulness. Our innovative curriculum organically allows kids to explore natural boundaries, learn self-regulation, develop their independence, and build relationships to help them grow into confident, kind and successful human beings.

## **STEM**

### **Camp Fire Club**

Camp Fire Club promotes outdoor skills while fostering an interest in science, art and environmental ethics

# EANES

ELEMENTARY SCHOOL

## Camp Einstein

**Modern Marvels** - Is your child fascinated by the way things work? This class is all about innovation and design as we explore modern science and the devices that have improved our everyday life! We will study how engineers design bridges and vehicles, recreate earth moving equipment that dig giant tunnels, and explore the science behind robotic limbs! Student's will tinker, design, and construct in this hands-on camp!

**Survival Science** - Ever wonder what you would do if stranded on a deserted island? This class will teach you the skills you need in order to survive! Learn fun and practical skills, whether you find yourself in the cold or on a tropical island! Campers will learn how to filter water, build a shelter, and how to care for injuries on their own!

## Coding with Kids

**Little Coders 1st-2nd** - Get them started early! The Little Coders class provides young students with the basics of computational thinking skills, such as loops and conditionals, through a fun blend of hands-on activities. The curriculum is built specifically for this age group, with a mix of activities from coding puzzles and board games to easy-to-use, drag-and-drop programming tools. Projects are updated each session, so returning students will have new challenges to work through and advance their knowledge.

**Video Game Development 3rd-5th** - This course introduces kids to computer programming through the fun and excitement of building video games. Working in Scratch, a drag-and-drop programming tool, students will create everything from animations to multi-level games. Beginner Students will learn the core concepts of programming a game, such as loops, conditionals, and variables. Intermediate Students will level-up to more complex concepts, like nested conditionals and functions with parameters. Projects are updated each session, so returning students will have new challenges to work through and advance their creativity and knowledge to the next level.

## Start-Up Kids Club

A hands on entrepreneur program that teaches kids how to start their own business.

## Language, Culture, and Culinary Arts

### Spanish for Kids

**Spanish for Kids Level 1** - Our interactive Spanish program, taught by experienced teachers, introduces students to new vocabulary and Hispanic culture through songs, stories, and games. Our goal is to build Spanish vocabulary and help students achieve fluency in basic conversations, preparing them for future language classes. This Level 1 class builds vocabulary by themes such as numbers, colors, body parts, days of the week, and more.

**Spanish for Kids Level 2** - Our interactive Level 2 Spanish class, taught by experienced teachers and designed for motivated students, continues to grow students' vocabulary and grammar skills, encouraging students to speak and write in complete sentences. Our goal is to help students achieve fluency in basic conversations, preparing them for future language classes, travel abroad and communication with Spanish speakers! Prerequisite of our Level 1 Spanish class or equivalent required

## **Sticky Fingers Cooking**

Let your children release their inner Masterchef! We're whipping up some fresh and tasty content for your budding kid chef this season by focusing on 3 super fun COOL-inary themes in our after-school cooking classes: FUN-da-mentals, Kitchen Tools PhD, and COOL-inary Confidence. Our professional chef instructors guide kid chefs by providing safe, entertaining, hands-on learning throughout the class, but it's the kid chefs who do the prepping and the cooking! Our class sessions are a BLAST for all ages and recipes are never repeated throughout the school year! When kids get to touch the ingredients and have a hand in creating their food, they're much more willing to try new foods. We provide all of the tools, ingredients, and instruction needed to cook up a delicious, healthy and hearty after-school snack each week. Our online recipe collection is included as well for loads of future family cooking fun at home! Sticky Fingers Cooking is 100% nut-free. We CAN and WILL accommodate ANY and ALL food allergies

## **Music and Art**

---

### **iPianoLab Keyboard Club**

Introducing the fresh, fun way to learn piano or keyboard! iPianoLab students learn all the keyboard basics WHILE playing songs they love! Pop hits, video game and movie themes, even the classics are all in reach, right from the first lesson!

### **Young Rembrandt's ATX**

**Ready, Set, Draw! Session 1** - Nurture your child's artistic talent by giving them the gift of drawing – the foundation of all the visual arts. Young Rembrandt's elementary drawing classes teach children technical drawing skills and develop core learning skills that aid them in the classroom. Young Rembrandt's inspires your child's imagination and boosts learning skills & self-confidence. Our curricula spans still-life compositions, figure drawings, portraiture, landscapes and art history. Even more, it is always child-friendly, always relevant, always new and always fun – each and every session. Enroll today!

**Ready, Set, Draw! Session 2** - Boost your elementary student's interest in drawing with a Young Rembrandt's class. All new lessons are being served up this session and we'll draw lots of inspiration from the holiday season as well. Learning and fun await your child in Young Rembrandt's. Sign up today!

### **Ms. Wright's Clay Class**

Join Ms. Wright in the art room for 8 weeks as we experiment and create with different kinds of clay! Students will walk away with several different clay creations and learn different sculpting techniques with different types of clay, including fired clay from the kiln! We will paint the clay pieces with either watercolor, acrylic, tempera or even colored glazes! Don't miss this opportunity!

### **Ms. Wright's Clay Class**

Join Ms. Wright in the art room for this short 4 week session before the holidays to create art gifts for our family - including a special clay piece fired in the kiln! We will learn clay-making techniques and create several special clay gifts along with a special gift using mosaics, beads and sculpture clay.

ELEMENTARY SCHOOL

## Athletics and Personal Growth

### ATX Ballers

ATX Ballers Basketball provides skills-intensive lessons and fun games and matches! We welcome all skill levels, and split up the different grades/skills levels on separate courts.

### Austin Youth Fitness

**Running Club** - Austin Youth Fitness Running Groups focus on improving running endurance and overall fitness, developing “functional” strength, flexibility, and improving core strength and body alignment. Participants will participate in drills, practice form, run in relays, and our groups always end with a fun filled game! AYF athletes will likely see improvements in self-image, confidence, attitude, social-interpersonal- relationship-skills, as well as an increased ability to focus on tasks and schoolwork.

### Get Up & Get Moving with Jane Lewis

Start your day with fun activities and games. We will play some of your favorite PE games. Why sit when you can play?

### Heart to Heart

Heart to Heart is a faith based program for 5th grade girls dedicated to providing a positive, supportive environment where the girls can develop lifelong character and values through fun activities and lessons on truthfulness, loyalty and friendship.

### The Knight School

## Community Education Childcare

**EASY Care** is provided by the Eanes Independent School District through the Community Education Department. The EASY Care program, staffed by Eanes ISD employees, provides a high quality childcare program for elementary school students in grades K-5th on-site at all six elementary school campuses. Childcare is from school dismissal to 6pm, including early release dates. **For questions about EASY care, contact Tori Spurgeon at [vspurgeon@eanesisd.net](mailto:vspurgeon@eanesisd.net).**

The **CDC**, or Child Development Center, is an infant-pre K childcare program provided by the Eanes Independent School District through the Community Education Department. The CDC provides a high quality, educational daycare program at 3 elementary school campuses. The EISD CDC staff cares for our youngest students and prepares them for joining the school district with thoughtful curriculum and guided growth. **For questions about the CDC, contact Susanna Lytle at [slytle@eanesisd.net](mailto:slytle@eanesisd.net).**

## Birthday Parties!

Join your birthday child and their buddies for a fun-filled party at school! Students will participate in awesome games and activities. All you need to provide are the refreshments. All parties are scheduled directly with your campus party teacher. Maximum Students: 22 including Birthday child. **\*\*Each additional child attending is \$10\*\***

Contact your Campus Party Host to confirm your Party date! They will have a form with all of the particulars. You will turn that form and payment into the Community Education office located at 601 Camp Craft Road.

## Frequently Asked Questions

**Refunds: 100% REFUNDS** are only given for those classes that are canceled by Community Education. **A 90% refund will be given to anyone that requests a refund ONE WEEK PRIOR to the start of the class or camp.** Requests for refund **must be emailed or submitted in writing** to the Community Education Office. Requests must be made during business hours. Refunds will be made to the credit card account used when registering. Any refund requests made after the **ONE WEEK PERIOD** before the start of classes/camps should be made directly to the instructor. Any refund, class substitution, or class credit will be the responsibility of the instructor.

**Enroll Early:** Sign up early because class size is limited. Once a class is full you may add your child to the waiting list. You will be notified if a spot opens up. Registration will remain open one week after the class has started. **There are no classes on early release days.**

**Class Confirmation:** After registering online you will receive a confirmation email instructing you to **Update your child's Campus Dismissal Manager through Smart Tag. Smart Tag** is the only way your school will know about your child's class registration.

**Class Cancellations:** If a class is canceled you will be contacted via email 72 hours prior to the class starting by the instructor. You will automatically be refunded the full class cost back to your credit card or by check, depending on how the class was paid for.

**Student Pick-up:** At the end of class, instructors will walk their students to the front of the school to wait for their parents. Classes last their designated time and do not run longer. Instructors reserve the right to charge a late fee for pick-ups and to remove the student from the class without refund for repeated unacceptable/inappropriate incidents.

**Children will only be allowed to leave with their designated parent/guardian. If your child will be going home with someone other than yourself or their designated guardian, please send a note with your child to give to the class instructor.**

**Inclement Weather:** In the event of inclement weather and if EISD is officially closed, all enrichment classes are postponed and will be rescheduled by the instructor. Such notice of school closing will be announced by local radio and television stations.

**Instructor Cancellations:** In the event of an emergency that causes a cancellation, parents will be informed and a make-up will be offered.

For additional questions, please call us at **(512) 732-9022 x1**

**Eanes ISD Enrichment Courses** serve over 2,000 school-aged and adult students on campuses throughout the district, before and after school. These enrichment courses offer opportunities to improve in a sport, learn a new language, explore the performing arts, tinker with robotics, investigate interactive media and more.
