

## Off Campus Lunch Pass Expectations 2019-2020

Student safety and academic success is a high priority for our students at North Creek High School. Though it is strongly recommended that students remain on campus during lunch, seniors can apply for permission to leave campus based on the following qualifications and expectations. Beginning in the fall of 2018, North Creek will have a limited open campus for lunch and lunch only. Details are below:

- Who can have an Off-Campus pass for lunch?
- Seniors must be in “**good standing**” defined as:
  - 1) no “F” grades (if student has an “F” then student can re-earn Off Campus Lunch Privileges after F grade is brought up to at least a C –...it is student’s responsibility to prove the grade increase by showing current grades on StudentVue),
  - 2) no past or present discipline for drug/alcohol/tobacco/e-cigarette offenses, and
  - 3) fewer than 2 tardies (excused or unexcused) for the first period of the day in any given month (more tardies result in a 20-day suspension of off-campus privileges)
- Seniors must have parent/guardian permission to have an off-campus pass for lunch.
- What if a senior with an off-campus pass is late to class after lunch?
- 1st Offense – Warning.
- 2nd Offense - Loss of Pass for a full week (5 school days).
- 3rd Offense - Loss of Pass for remainder of semester (student can be reinstated 2nd semester if lost during 1st semester).
- 4th Offense - would occur during a re-instated 2nd semester and would result in immediate loss of pass for the rest of the school year.
- What if some Senior tries to take a non-senior with them to lunch off campus?
- Taking any non-senior off campus for lunch would result in immediate loss of the off-campus pass for the rest of the school year and would result in discipline for the non-senior for leaving campus without permission.
- Can a Senior with an off-campus pass eat their lunch in the class period following lunch?
- No. Lunch must be eaten during the lunch period and not after - and no food may be brought into the classroom.
- Do school & district rules still apply during off campus lunch?
- Yes. Especially the rules around the illegal use of drugs, alcohol, tobacco and all e-cigarette devices (JUUL, vapes, etc.)
- What if a student gets a speeding/reckless driving ticket or causes an accident during off campus lunch?
- This would result in the immediate loss of the off-campus pass for the rest of the school year.

**STUDENT IS REQUIRED TO HAVE & PRESENT THEIR PASS WHEN LEAVING CAMPUS TO SCHOOL PERSONNEL AT ALL TIMES. OFF-CAMPUS PASSES ARE ONLY TO BE USED AT LUNCH.** Any other time you are leaving during the school day you are required to have a pass from the Clinic or Attendance Office.

Having an Off-Campus Pass is a privilege, not a right, and may be revoked for breaking school rules or for other due cause at the discretion of an administrator. Please, remember that any infractions that occur during 1st semester will carry over to 2nd semester.

---

I give permission for my student to leave North Creek High School campus during lunch. I also absolve the school and its personnel of responsibility for any action my student may take or be involved with while walking, riding or driving off campus. I have read the above policy and understand this is a privilege and that the Off-Campus Pass may be revoked at the discretion of the administration at North Creek High School.

I agree to the terms listed in the qualifications and expectations and understand that safety, responsibility, and sound judgement is expected of me at all times. I further understand that failure to follow the qualifications and expectations, including my academics, behavior and consistent attendance will result in the loss of this privilege and potential disciplinary action.
