Ignatian Senior Movie Retreat

March 3-5, 2020

Candidate Application

Fairfield Prep Campus Ministry

The Ignatian Movie Retreat is a religious retreat program grounded in the Spiritual Exercises of St. Ignatius of Loyola and our Christian belief that God is very much part of our real world including the movies, and especially through our imaginations and experiences. This retreat is designed for seniors who have participated in a Kairos retreat experience or other significant retreat experience and want to deepen their relationship with God and their classmates. Prayer and the sacraments are an essential part of the program as well as the participants' involvement in discussions and other exercises.

The program lasts for two nights and three days. The purpose of this retreat is to help students grow in their faith and understanding of Ignatian Spirituality as they prepare to depart Prep for their College careers. Students will experience the deep connections between film and spirituality. When we watch a movie, we are not just being entertained but are exposing ourselves to narratives that define what is possible for us, and we often incarnate those possibilities. With the support of that community, he can more effectively find his true worth as a person in relationship with God, his family and his friends. *Space is limited; sign-up early. Read through this entire application and make sure all parts are filled out before turning in.*
