Choose your coverage plan

One-time premium for the 2014-2015 school year

School time coverage (accident only)

Economy plan: \$36.00 Basic plan: \$66.00

The school time plan provides coverage while an insured student is in or on school premises during the days and months when school is in session; traveling directly to or from their residence and school in a vehicle supplied by the school; and participating in or attending activities sponsored solely by the school that are continuously supervised by a school official or employee. This also includes supplied and supervised travel directly to and from such sponsored activities; and school sponsored and supervised sports, excluding ninth-, tenth-, eleventh-, and twelfth-grade interscholastic football.

Around the clock coverage (accident only)

Economy plan: \$144.00 Basic plan: \$266.00

Around the clock coverage applies 24 hours a day, whether school is in session or not. The insurance is provided from the effective date of the insured student's coverage to the termination date of the policy. This coverage includes school sponsored and supervised sports, excluding ninth-, tenth-, eleventh-, and twelfth-grade interscholastic football.

Interscholastic football coverage

- Provides coverage for ninth-, tenth-, eleventh-, and twelfth-grade interscholastic football only.
- School time and around the clock coverage is not included with this plan option.
