Dear Calf Pen Meadow Families:

I am both honored and excited to be leading Calf Pen Meadow School. I am looking forward to working in partnership with you to make Calf Pen the best it can be!

For the past thirty years, I have been a classroom teacher, reading coordinator, Dean of Students at Foran High School and most recently the Assistant Principal at Harborside Middle School. My most important and rewarding role has been that of child advocate, where I have committed to putting children at the center of all I do. I am excited and eager to bring my skills as an educational leader to Calf Pen Meadow and work with you as a partner in education to ensure your child's success.

I am a true believer in collaboration and transparency in all that I do. It is only through teamwork that we can accomplish more, see all perspectives and meet the needs of all of our children and families in the Calf Pen community. Families, you are part of the team!

We will honor what great things are already happening at Calf Pen while always trying to raise expectations for all students and ourselves. With your help, we will make sure we prepare students not only to have knowledge of skills and meet expectations with success, but also to be productive citizens, while being kind and encourage them to make a difference in the world. Relationships are important to our work and our students' success.

## **Some Important Dates:**
