The Stratford Academy Wordmark is for administrative and academic use — i.e., administrative personnel and departments, faculty and academic departments, and designated organizations that are affiliated with the School.

While the School wordmark may be sized appropriately for the specific use, the proportions of its individual elements must not be altered. It is preferred that the mark be displayed in either black and white, or designated official colors — Stratford blue, gold or silver — but this is not required.

It must be reproduced from the official artwork available through the Office of Institutional Advancement. For silkscreen, embroidery, specialty items and related uses, contact the Office of Institutional Advancement.

The Stratford Academy Athletic Logo is for use by the School's Athletics Department and School sanctioned sports, spirit and student organizations.

While the Athletic Logo may be sized appropriately for the specific use, the proportions of the individual elements must not be altered. It must be displayed in designated official colors — either black and white or Stratford blue, gold or silver. The Stratford Athletic Logo is registered — 3634903, 6/9/09 — and must be reproduced from the official artwork available through the Office of Institutional Advancement.
