2017-2018 Sacred Heart School & Parish Annual Report

Dear Sacred Heart Community,

I am grateful for the opportunity to be here as a part of this community and humbled by the spirit, generosity and faith witnessed. The many volunteers and families who give so much of their time, talent and financial support in service to our parish and school community are a testament of our faith. Each person who helps, plays a unique and irreplaceable part in God's plan for our parish, our school, and our world in too many ways to list in this short message.

I am personally grateful to each of you for the generosity with which you give of your time and talents and treasure. It is an honor for me to serve you, together with Fr John, Deacon Scott, and the exceptional leadership and collaboration of our Principal David Burroughs.

Your servant in Christ,

Notes to Financial Statement:

[1] Every year, the parish and school operating funds budget and transfer an amount to the parish and school capital funds. This recognizes the necessity to put aside substantial money for major maintenance and repair needs as good stewards of our facility-related resources.

[2] The Annual Catholic Appeal (ACA) rebate is an important funding source for the parish capital fund. From the 2017 ACA effort, we received a rebate of \$39,455, more than double the previous year. Making and fulfilling your ACA pledge made this possible.

[3] These are direct donations made to the parish capital fund through our offering envelope and online giving systems.

[4] The interest from our parish general savings account with the archdiocese is an important funding source for the parish capital fund. That amount in 2017-18 was \$22,358. Also, in 2017-18, eleven parish households contributed \$40,000 toward the installation of kneelers in our church (see item #6 below). And, in advance of the 4 in1 Capital Campaign, three parish households made special gifts totaling \$65,641 to the capital fund, earmarked for our church nave roof project. Special gifts to the capital fund are always encouraged and gratefully received.

[5] At the 2018 School Auction in February, \$113,661 was raised through Fund-A-Need for the remodel of the Middle School restrooms. Expenditures for that project occurred during the summer of 2018 and will be recorded in the 2018-19 fiscal year.

[6] During the summer of 2017, \$42,265 was spent on installing kneelers in the church along with the purchase of new chairs in the Eucharistic Chapel.

[7] During the summer of 2017, \$38,903 was spent to refurbish the Moore Theater restroom and \$17,809 was spent to clean and seal the exterior masonry on our seven school "pods". Also, \$24,383 was spent to replace the roof and lighting at the top of the bell tower. This completed our efforts over the last couple of years to repair and stop the numerous leaks in the church narthex roof/ceiling. Now we turn our attention to the church nave roof.

a legacy of service the Barnes family

The Barnes family joined Sacred Heart Parish in 1972 after moving here from Philadelphia. At the time, we had four children, and in 1973, added our fifth. All five of our children and two of our grandchildren attended and graduated from Sacred Heart School. Our daughter, Nancy (who works at SHS school) and our son, Fr. Charles, SJ, are still in the area.

Judy and I have been active in the parish from the beginning of our move to Bellevue, especially Judy. Her involvement began by chairing a Valentine's dinner dance in 1973. From there, she served on the parish council with Fr. Ritter. She has chaired a parish volunteer program called SHARE, served on and chaired the Social Concerns Program, and was the tech person and final chair for the annual Wine and Art event. Judy also was chair of our parish guild and is currently on the board for Carpe Diem. On the school side of things, Judy tutored math for junior high students and was part of a parent group that brought the first Sacred Heart School auction to fruition.

As for myself, I have served on the pastoral council for four years with Fr. Steve, chairing the council for the last three years. Early in Fr. Connole's time as pastor, I began counting the weekly collection and I am still participating in this ministry which is now over 30 years and counting!!! Over the many years, I continue to be a lector and a eucharistic minister at weekend Mass and fill in as circumstances are needed. I also enjoy participating in the Carpe Diem activities.

Judy and I love Sacred Heart Parish. We enjoy being a part of the parish community and finding ways to welcome and involve other parishioners so that they can find the kind of joy we have found here. Sacred Heart is the center of our Catholic life and we are committed to helping Sacred Heart realize its overall mission statement as a parish community.

Judy and Chuck Barnes

Father Charles Barnes' connection with Sacred Heart has been an enduring one ever since moving here with his family in 1972. He attended 6th 7th and 8th grade at Sacred Heart School, and the desire to serve was something he relished! From helping out with the CCD program, to Boy Scouts, to being an Altar Server (with two daily Masses back then) and later with the youth group prior to moving out of the area.

His fondest memories are singing with the choir during his formation as a Jesuit whenever he was fortunate enough to be in the area. "I was very grateful for the encouragement of Fr. Marlin Connole and Fr. Pat Ritter and later Fr. Steve. I particularly enjoy the opportunity to celebrate Mass at Sacred Heart, even though my work schedule precludes me from coming on Sundays. School Masses are particularly fun! The students love to interact and are eager to learn."

Over these many years, Fr. Barnes still considers Sacred Heart and its school his spiritual home. This past year, Sacred Heart was blessed to have Fr. Barnes be the guest speaker at the annual Grandparent and Grandfriends' Day and celebrate the special community that is Sacred Heart.

"It has been a privilege to be part of such a generous and loving faith community."

Nancy (Barnes) Schoegg has been an active part of Sacred Heart since her time as a student at Sacred Heart School. Her earliest memory of volunteering is when she helped to teach Sunday school while she was a middle school student. Her volunteer work at the school picked up again in earnest when her daughters started school at SHS. Nancy worked in her

daughters' classrooms, helped lead CYO Cross Country, served on the CYO Board, worked for years on the "back end" of the auction, and co-chaired the school's auction two years in a row in 2007 and 2008. She is probably best known for all of her work over the years to improve the technology at the school and parish and to keep it all running smoothly. Eventually, the school realized that it was calling on her so often that she needed to be hired as a regular employee. In Nancy's words, "If there's a need, I like to use my skills to help. I especially like to help make things more efficient. Solving technical problems is fun for me." In between her service at Sacred Heart, Nancy also finds time to volunteer at Holy Names Academy in Seattle by serving on their Board of Trustees for the past nine years, their Parent Board for four years, and now on the school's Marketing Committee.

Dear Sacred Heart Community,

Service is fundamental to any Catholic community. First and foremost, it is an expression of our faith. We live out our baptismal call through serving others, especially those most in need. When Jesus commanded us to love one another, he did not mean a quiet sentimentality in our hearts. He expects an active love that reaches out to others in self-giving. That kind of active love is what we work to instill in the hearts of all of our students at Sacred Heart School.

Service is also at the heart of our school community. Our school and parish could not function without people willing to serve. All of the ministries, programs, and activities of our parish and school require many hands and hearts to make them successful, from the school auction to the Knights of Columbus pancake breakfasts, from Trunk or Treat to Carpe Diem activities, and from school health screenings to weekend Masses.

In addition to the practical need for volunteers, service builds our community. I can't count the number of times I have heard stories about how parents and parishioners met one another and formed friendships through some sort of service. One dad with a child in first grade and another with a child in eighth grade who might never have met otherwise, bonded during playground supervision. Mothers met while working on the auction and their friendship lasted long past graduation.

I am grateful to all those who serve our parish and school community in ways large and small, and especially those who serve in ways that few ever see.

In gratitude,

A Fundraising Year in Review

Our success this past year is due to the many ways our students, parents, grandparents, staff, alumni and friends serve our Sacred Heart community.

Thank you to our 2017-2018 School Sponsors! We were excited to have 15 businesses support Sacred Heart School this year.

The jogathon was our first fundraiser of the school year. Students participated in “Run for the Heart” and raised over \$70,000.

For the third year in a row, Mr. Larry Kring provided an opportunity to increase our school’s 2017-2018 Annual Fund giving by donating matching funds for our fall pledge drive. We are extremely grateful for his continued generosity and commitment to the success of our students and school.

The Annual Gala Auction took place February 3rd. “A Night for the Stars” was a great success. Thank you to our volunteers, sponsors and all who attended this fun filled event!

“Fill the Heart” to benefit the Sacred Heart Annual Fund finished off the school’s fundraising year. The Sacred Heart Annual Fund exceeded our goal of \$225,000. Thank you to everyone who made a gift to this essential fund.

Sacred Heart School families also participated in the GiveBIG campaign in May, together with the Seattle Foundation, to raise funds for our school.

Through Sacred Heart School’s commitment to service, we were able to provide volunteers, funds, food and clothing to the following organizations:

Treehouse • Renewal Food Bank • Leukemia and Lymphoma Society • Ryan’s Well Foundation
The Gardens Assisted Living • Summit Assistance Dogs

*Auction Fund-A-Need number is NOT included in school fundraising revenue as this is a designated fund.

service is fundamental the Reinke family

When we moved from Chicago in 2008, we needed to find more than just a house. A new job opportunity brought us to Washington without our extended family and the lifetime of connections we had in the Midwest. The focus for our family was to find a place to live and a good school for our young children. Sacred Heart was a warm, welcoming home for our daughter to start Kindergarten. Our kids handled the transition to Sacred Heart easier than either of us. In the days before Sign-Up Genius, we had to go to the school gym and sign up for service jobs listed on various clipboards. Overwhelmed was an understatement as we attempted to navigate school responsibilities, settle into a new city and unpack our house. We met some helpful families who guided us through the sign-ups and gave us some great advice. Karen ended up with two service jobs that first day! That's how service began for us.

Karen started that first year in the Health Room and on Playground Duty. Over the years, she also spent time as a room parent (now called CCC), auction cashier, field trip driver, teacher helper, classroom party volunteer, etc. Her favorite service job came when she was invited to join School Commission as the Finance Lead. This provided her the opportunity to work closely with both school and parish administration to plan the school's budget and provide input on the financial future of the school. Since Karen chose to be a stay at home mom when we moved to Bellevue, this opportunity gave her the chance to use her skills as a CPA and Finance MBA to help make a difference at the school. She continues as the current School Commission Chair today.

Although we are required to have one service job per family, we have taken on various roles throughout the years. Even with working full time, I have spent the last 10 years coaching soccer and volleyball for both of our kids. In addition, I became the CYO Treasurer and am currently the CYO Athletic Director for Sacred Heart. There were many times I was told I did not need to do so much. However, I continued in all these roles because I loved what I was doing.

Megan, Matt, Karen, and Andrew Reinke

We chose to be a part of these activities because we believe that service is a fundamental part of our faith and our commitment to our community. We hope that we make a difference and leave things better than when we started. We never sought recognition or expected any thank you's, we just did what we could to help.

It seems that we set a good example for our children, as they have also taken service to heart. Megan graduated from Sacred Heart in 2017. While there, she was an altar server, awarded the St. Margaret Mary service award every trimester and chosen for the Christ-Like Action Award by the school faculty at graduation. Amazingly, she also keeps up the call to service by coaching volleyball camps at Newport High School and volunteering at Special Olympics this past summer. Andrew, who is a 7th grader at Sacred Heart, is a current altar server and continues to make service an important part of his life through the Boy Scouts. We are very proud of the young adults that they have become.

We make service a fundamental part of our daily family life. Our involvement has made our lives rich and full and we hope that our commitment to service has been a positive impact to our Sacred Heart family.

school Annual Fund

The Sacred Heart School Annual Fund is essential in providing our students with the very best education possible in an environment of faith and virtue. Every gift made to the Sacred Heart School Annual Fund contributes to the quality of Catholic education we are able to provide. Thanks to your generous support of this fund, we were able to exceed our goal of \$225,000. We would like to thank each of our donors for your gifts to our students and school as they truly make a difference!

giving to sacred heart school ...

Sacred Heart School is a Catholic community which provides an excellent academic education in an environment of faith and virtue for students and families of Sacred Heart Parish. The support that comes from parents, teachers, staff, alumni and friends of the school are critical to our success.

There are many ways you can contribute to the continued success of Sacred Heart:

- The Sacred Heart School Annual Fund is essential in the operations of our school. It helps to sustain the school's instructional programs and foster student learning and growth. Gifts to The Annual Fund are an investment in our students and Sacred Heart School.
- Support Sacred Heart School's Annual Gala Auction by attending and/or donating items.
