

# AMERICAN LEADERSHIP ACADEMY

Eagle Families,

Now that our 2019-2020 enrollment has mostly settled for this semester, we will be reducing class sizes for a few courses which will generally provide more opportunity for teacher-student interaction.

While the vast majority of students' schedules will not change, students in high-enrollment classes will have their schedules adjusted over the next few days as we place them into the new sections. The teachers are aware of the pending changes, and we do not anticipate any issues with the transitions.

We know that your students are settling into their routines, so we wanted to make these changes as soon as possible. Students will be notified of any changes on Tuesday, August 20th, and the new schedules will go into effect on Wednesday, August 21st.

Additionally, as we begin week three, I need parental help and support ensuring the culture we've created stays strong and endures for the year... specifically, I need your help with our grooming, dress code and cell phone usage. The most common infractions are haircuts for boys, length of shorts/skirts for boys/girls, wrong colors for polos and pants, and cell phone usage during the school day. Please ensure your students come to school properly dressed and groomed... thank you!

One last issue, SAFETY... I need parents/guardians/grandparents/students to comply with the GNHS drop off/pick up and parking rules

(<https://www.alaschools.org/parent-resources/traffic-plans>). Please do not drop off/pick up students near the entrance to the concession stand, near the weight room or near the blue lunch ramada. The designated drop off/pick up location is on the west side of the main high school building across from the tennis courts. Thank you for your support with this!

We appreciate your patience, flexibility and trust as we work to ensure we deliver "the best educational experience... in a moral and wholesome environment" to you and your students.

Kindest Regards,

Brent McArthur
