

Monroe Mustangs Volunteer Survey

Welcome to the 2019-2020 school year at Monroe Elementary! There are numerous activities, events, and school functions that occur at Monroe throughout the year. Each PTA event needs people to coordinate, plan, and staff them with volunteers. Please read the following information below and consider how you might fit some of these events into your life and in turn support Monroe school as a volunteer. You will be contacted at a later date by the committee chairperson.

(Please print clearly, thank you!)
