

School Supplies

Junior Kindergarten up to and including Grade 8:

Meadowridge School purchases mandatory supplies from "Teacher's File" for each student in Junior Kindergarten to Grade 8. The costs of these supplies are included in the Program Fees for PYP and MYP. The supplies are pre-packaged into individual bags which are then distributed to your child/children's classroom for their arrival in September.

Grade 9 up to and including Grade 12:

Students are required to bring basic supplies at the start of the school year, such as a notebook, or binder with note paper, pens, ruler, etc. During the first few days of class, teachers will confirm any additional supply needs for their specific courses. Students will have approximately two weeks to purchase them.

Grade 9 students are required to purchase a TI 84 Plus CE Graphing Calculator.

Novels & Books for 2019/20

Students are required to have the following books, which can be purchased online (e.g. Amazon, the Canadian School Book Exchange) or from a bookstore.
