

Support our Faculty Host a 2019-2020 Middle School Faculty Friday or Faculty Wednesday Event

This is a great and easy way to thank and support our hard working and dedicated faculty and staff. You can host either a snack for a **Wednesday Faculty Meeting after school**, or a breakfast treat on a **Friday morning**. You can express your gratitude by hosting a date alone or team up with another family or two to host an event, These events are something that is truly appreciated!! Hosting is simple. There are several options:

- 1) **Order from Metz Food Service.** You select the menu and let Metz deliver, set up, and clean up all for about \$150.00 - \$200.00, which is billed directly to your student's account.
- 2) If you prefer, you can **bake or cook** at home and deliver it to the Middle School at 3:30 pm on Wednesdays or 7:00 am on Fridays. Please remember to bring plates, cups, napkins, and utensils for about 35 people.
- 3) If it is easier, you can **pick up something** from your local bakery or grocery store and deliver it to the Middle School at 3:30 pm on Wednesdays or 7:00 am on Fridays. Please remember to bring plates, cups, napkins, and utensils for about 35 people.
- 4) No time, but you want to participate, **contact Roxana Trabulsi**, who will take care of ordering for you from Metz Food Service and have your student's account charged.
