

MEADOWRIDGE SCHOOL

Dear High School Parents and Students:

Another school year is almost upon us and I am excited to send a warm welcome to all of you. For those of you who don't know me, I wanted to take a minute to introduce myself. My name is Kristal Bereza and I am the High School Principal at Meadowridge. This year will mark my 15th year at Meadowridge. During this time, I have had many different opportunities ranging from MYP and DP teacher, to DP Coordinator, to High School Principal. The staff, students, and parents are what keep me at Meadowridge and I look forward to getting to know each of you.

We are set to have another exciting year, starting with our first Week Without Walls trips (WWOW). Permission forms for these trips will be distributed during the first week of school.

Grade 9 – Stave Lake – September 11-13

Grade 10 – Indian Arm – September 9-13

Grade 11 & 12 – Loon Lake – September 11-13

Our school continues to grow, and we are excited to welcome a new faculty member to our High School team.

Mr. Wilbetson Chua – Grade 9-10 Math

There are a couple of other important reminders and dates that you need to be aware of as you plan for the new year.

To help with the transition for new Meadowridge families, we will be holding a New Student and Family Orientation on Thursday, August 29th. More information will be sent directly to new families.

The first full school day is Tuesday, September 3rd.

The High School Parent Information Evening will be held on Thursday, September 5th, from 7:00-8:30 pm.

When you come to school on September 3rd, please wear your #1 uniform. Come prepared for all classes. This means bringing your laptop, paper and pens, and your complete PHE uniform. During your first few days of classes, teachers will inform students of any special course specific requirements that may need to be purchased in the first few weeks of school.

I wish you all an enjoyable and restful summer, and I look forward to seeing you all in September.

Sincerely,

Kristal Bereza
High School Principal
