

EVENTS PRIOR TO THE START OF SCHOOL

LOWER SCHOOL OPENING DAYS

We are excited to begin our new school year in lower school at St. Mark's! Be sure to save the dates for these important events; our summer correspondence will include full details about the schedule.

Lower School Introductory Parent Conferences:

-  Are 20 minute conversations with your child's teacher to allow parents and teachers the opportunity to begin their partnership from the first day of school onward.
-  Allow parents to tell their child's story and share their hopes and dreams for the year.

MIDDLE SCHOOL ORIENTATION

Middle school orientation days are coming! These days greatly enhance the beginning of school experience for students and families.

A few notes about Middle school orientation:

-  Students will go through a modified full day schedule to meet teachers, get course information, receive books, etc.
-  Mr. Burgy will give a special "What to expect in _ grade" for parents (the specific times of these events will be published soon).
-  Students will get a full academic technology orientation.
-  Orientations are held from 8:00 - 3:15 PM and have required attendance
-  The middle school orientation days are full days of school and will be important for students to be in attendance. Each day is specifically planned to address the grade being served that day.
