

FIELD TRIPS

Off campus field trips typically begin in 1st Grade. Parents will be notified in advance of any planned field trip. Overnight field trips begin in 4th grade.

SPIRIT TEAMS

Each student is assigned to either the Red Spirit Team or the Blue Spirit Team to be kept throughout the student's life at St. Mark's.

During the school year, students will be asked to wear their team spirit shirt, which can be purchased at Lands' End.

St. Mark's will host several spirit team competitions; each team will earn points throughout the year, with the winner announced at the end of the school year. Our all school Field Day, held in the spring, is an annual event that boosts our school spirit.

Students in the same household will be kept on the same spirit team to prevent any "houses divided!"

Your spirit team designation will be shared with you through your parent portal.
