

*The future of technology!
Turn your game into a real digital game!*

Students can instantly turn their physical game boards into a real digital game on an iPad. Use your creative skills to design a game based story full of narratives, logic puzzles, action blocks, and power-ups. Share your game with the class library to collaborate with others and play additional games.

Grades 3-5

Where: Elementary School – In the STEAM Lab!

Thursdays

October 24 – November 14

3:30 pm – 4:30 pm
