Permission to Include Student in Media Coverage

There may be times during the school year when different media groups (newspapers, television, university, school production class, etc.) will cover activities at the various Boulder Valley Schools with articles, video or still photography that may be published locally or nationally. In addition, schools or the District may want to include school-oriented articles, video or photography in their own publications and/or on their own web sites.

I give my permission for my student to be included and identified in both District and non-District media coverage, including articles, videos and photographs.
