

Dear Parent/Guardian

GCSE/IGCSE Subject Choices for Boys joining Shell 2019-20

Please find below the subject choice “columns” for GCSE. Boys must choose one subject from each column. We strongly recommend that three sciences are studied either as single subjects or through the Double Award route. Any desire to study only two sciences must be discussed fully with the Academic Leadership Team.

Please indicate your son’s choices by circling/highlighting the relevant subjects. We would be grateful if you could return this to us by **Monday 6 May**.
