Community Council Agenda for February 27, 2019

- Increase student growth scores in the areas of English language arts, math, and science by 2 points as measured by the 2018-2019 SAGE growth scores.
- Reduce the percentage of students in the 2021-2022 cohort who fail a core subject by 2% as measured by individual student graduation credit summary reports.
- Improve literacy in all content areas as measured by the completion of a minimum of one formal writing assignment per semester in all courses and continued implementation of the independent reading program.

Ideas to consider:

- Increase devices to check out
- Extra intervention time for math during RAP
- Extra math tutors
- Look into other junior high schools that are doing well in math departments
