Principal's Message

Welcome to Duncan-Russell Cyber High!

At Duncan-Russell Cyber High, we provide students in the 11th and 12th grades with the opportunity to earn credits toward their high school diploma using online curriculum.

The online program is called Cyber High, and it is sponsored by the State of California and administered in this region of the state by Fresno Unified School District.

All courses are taken online, and credit is awarded from Roosevelt High School in Fresno. All information is transmitted electronically, and students know immediately when they have earned another credit toward their graduation!

Students enjoy using Cyber High for many reasons: 1. All Cyber High courses are approved by the California State University and University of California systems for A-G credit. 2. Students can earn credits one at a time until they earn all five credits for each course. This allows students to achieve success much more quickly, and it motivates them to finish each course. 3. Students can work on their courses online at home, without having to carry books and notebooks back and forth to school. They can pick up where they left off at school as soon as they log in at home.

Thank you for visiting the Duncan-Russell Cyber High School Accountability Report Card.

School Mission Statement

Duncan-Russell Continuation High School's mission is to empower students to reach their fullest potential by achieving excellence while attaining their goals and becoming compassionate, confident, honest, responsible and open-minded citizens.

Parental Involvement

Duncan-Russell High School operates differently than a comprehensive high school. Counselors refer students to Duncan-Russell by their own recommendation or by the student's request. If the student's parents or guardian agrees to the transfer, then the student, their parent or guardian, and the school counselor meet for a preliminary orientation.

At the orientation meeting, the school counselor stresses the importance of parental involvement and support while their student is attending Duncan-Russell. If all are in agreement, then the parent and student sign an agreement that allows the student to remain at Duncan-Russell as long as the student is making sufficient progress toward earning his or her high school diploma. Parents are encouraged to contact their student's teachers via email, or they can call the school and request a face-to-face meeting or a return phone call.

For more information on how to become involved at the school, please contact Traci L. Mitchell, Assistant Principal, at (209) 830-3357, extension 1764.

School Safety

Tracy Unified School District recently hired a contractor to create a comprehensive safety plan for the entire district and each individual school site. As a result, Duncan-Russell has a comprehensive school emergency-response plan that includes annual training, fire drills, shelter-in-place, lockdown, earthquake procedures, student evacuation, emergency student release, and emergency communication and response. Duncan-Russell new safety programs and practices promote a safe and positive learning environment.

The school safety plan was last reviewed, updated and discussed with the school faculty in February 2019.

About Our School

Duncan-Russell Continuation High School is one of Tracy Unified School District's many alternative pathways to success. The high school juniors and seniors in Tracy Unified School District can transfer to Duncan-Russell to recover credits lost at the comprehensive high schools. Students can earn credits toward their high school diploma, which prepares them for college, an occupational training program, the military or a job.

The curriculum at Duncan-Russell stresses the acquisition of skills and credits by utilizing an online curriculum called Cyber High. Students must complete the requirements for all high school subject areas. They can then graduate from their home high school, Stein Continuation High School or the Tracy Adult School.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

District Vision Statement

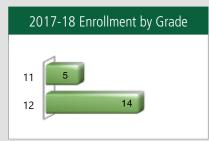

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

Board of Trustees

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

Class Size Distribution

Average class size does not apply to Duncan-Russell Continuation High School.

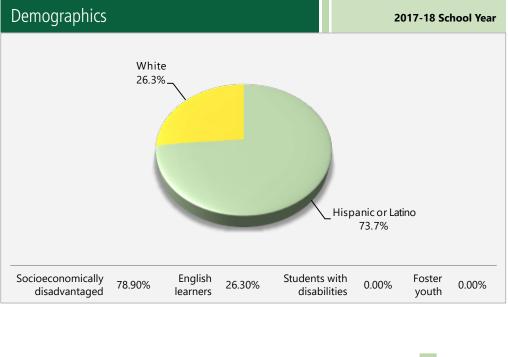

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates						
Dunc	an-Russ	ell HS				
15-16 16-17 17-18						
Suspension rates	40.0%	56.3%	0.0%			
Expulsion rates	0.0%	0.0%	0.0%			
т	racy USI	D				
15-16 16-17 17-18						
Suspension rates	7.6%	10.5%	8.3%			
Expulsion rates	0.6%	0.6%	0.7%			
(Californi	а				
	15-16	16-17	17-18			
Suspension rates	3.7%	3.6%	3.5%			
Expulsion rates	0.1%	0.1%	0.1%			

Enrollment by Student Group

The total enrollment at the school was 19 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

Admission Requirements for California's Public Universities

University of California: Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for university-level work. For general admissions requirements, please visit the UC Admissions Information web page at http://admission.universityofcalifornia.edu.

California State University: Eligibility for admission to California State University (CSU) is determined by three factors: 1. specific high school courses, 2. grades in specified courses and test scores, and 3. graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission-guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application and fee information, see the CSU web page at www.calstate.edu/admission/admission.shtml.

Course Enrollment for UC/CSU Admission

The table displays two measures related to the school's courses that are required for University of California and California State University admission for the most recent year for which data is available. For more detailed information, visit http://dq.cde.ca.gov/dataquest.

UC/CSU Admission	2016-17 and 2017-18 School Years
	Duncan-Russell HS
Percentage of students enrolled in courses required for UC/CSU admission in 2017-18	0.00%
Percentage of graduates who completed all courses required for UC/CSU admission in 2016-17	0.00%

CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

CAASPP Test Results for All Students: English Language Arts/Literacy and Mathematics (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts (ELA)/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards					Two	-Year Data
	Duncan-Russell HS Tracy USD				Calif	ornia
Subject	16-17	17-18	16-17	17-18	16-17	17-18
English language arts/literacy	*	44%	41%	42%	48%	50%
Mathematics	*	*	29%	30%	37%	38%

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- 1. Aerobic Capacity
- 4. Abdominal Strength and Endurance
- 2. Body Composition

3. Flexibility

- 5. Upper Body Strength and Endurance
 - 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test	2017-18 School Year

Six of six standards	*

California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA)

test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments

include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www. cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts/ Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grade 11.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

♦ Not applicable.

Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results by Student Group: English Language Arts and Mathematics (grade 11)

Completion of High School Graduation Requirements

This table displays school, district and California data for the percentages of students in the most recent graduating class who met all state and local graduation requirements for grade 12 completion. The formula for the completion of graduation requirements is the number of grade 12 students who met all graduation requirements divided by the number of students enrolled in grade 12 at the time of the Fall Census Day. For more information, please visit www.cde.ca.gov/ci/gs/hs/hsgrmin.asp or www.cde.ca.gov/ci/gs/hs/cefhs-gradreq.asp.

Types of Services Funded

About 58 percent of the district's income is spent on employee salaries, and 23 percent is spent on employee benefits. Books and supplies account for 10 percent of the district's spending, an additional 10 percent is dedicated to services and operating costs, three percent is used for capital outlay, and two percent is spent on other district outgo. Expenditures are expected to exceed revenues by approximately five percent.

All of our Kindergarten through third grade classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical And Health Services Academy.

Career Technical Education Programs

Duncan-Russell Continuation High School does not offer Career technical education programs.

Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

Career Technical Education Data			
Duncan-Russell HS			
2017-18 Participation	า		
Number of pupils participating in a CTE program	÷		
Percentage of pupils who completed a CTE program and earned a high school diploma	÷		
Percentage of CTE courses that are sequenced or articulated between a school and institutions of postsecondary education	*		

Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out. For more information, please visit http://dq.cde.ca.gov/dataquest.

Graduation and Dropout Rates Three-Year Data					ear Data	
	Graduation Rate			D	ropout Rat	te
	14-15	15-16	16-17	14-15	15-16	16-17
Duncan-Russell HS	0.00%	*	*	78.60%	*	*
Tracy USD	91.80%	91.10%	90.00%	5.30%	6.50%	7.30%
California	82.30%	83.80%	82.70%	10.70%	9.70%	9.10%

Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject

2018-19 School Year

Reading/language arts	0%

Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

Currency of Textbooks			
2018-19 School Year			
Data collection date 9/28/2018			

Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and including some site administrators, reviews the recommendation and then recommends a textbook to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2018.

The district chose its most recently adopted textbooks (English language arts) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). The district is in the process of evaluating and selecting history-social studies instructional materials for grades 6-8 using the state-approved list for grades 6-8.

Advanced Placement Courses

Advanced Placement (AP) courses are not offered at Duncan-Russell Continuation High School.

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		
2018-19 School Year		
Criteria	Yes/No	
Are the textbooks adopted from the most recent state- approved or local governing- board-approved list?	Yes	
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes	
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes	

School Facilities

General

The Tracy Unified School District takes great efforts to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility-survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of Duncan-Russell Continuation School for the 2018-19 school year and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

Age of School/Buildings

Duncan-Russell Continuation School and Willow Community Day School share the same campus. This school has eight classrooms, a library/lunchroom and an administration building. The main campus was assembled using portable buildings in 1985.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status 2018-19		9 School Year	
Items Inspected	Items Inspected		
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation	and HVAC)	Good	
Interior: Interior surfaces (floors, ceilings, walls and window casings))	Fair	
Cleanliness: Pest/vermin control, overall cleanliness		Good	
Electrical: Electrical systems		Good	
Restrooms/fountains: Restrooms, sinks and drinking fountains	Fair		
Safety: Fire safety, emergency systems, hazardous materials	Good		
Structural: Structural condition, roofs	Good		
External: Windows/doors/gates/fences, playgrounds/school ground	Poor		
Overall summary of facility conditions	Fair		
Date of the most recent school site inspection	8/16/2018		
Date of the most recent completion of the inspection form	8/16/2018		

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		2018-19 School Year		
Items Inspected	Deficiencies and Action Taken or Planned		Date of Action	
Interior	Carpets need repair. Site under consideration for relocation with new buildings.		7/1/2019	
Restrooms/fountains	Site has water off; girls restroom hot water is off; boys restroom water doesn't stay on for 20 seconds. Work orders have been placed.		2/28/2019	
External	Uneven/cracked concrete and asphalt throughout site. Site under consideration for relocation with new buildings.		7/1/2019	

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information		Three-Year Data		
Tracy USD		Dur	ican-Russel	I HS
Teachers	18-19	16-17	17-18	18-19
With a full credential	655	3	1	1
Without a full credential	44	0	0	0
Teaching outside subject area of competence (with full credential)	8	0	2	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions		Three-Year Data	
	Duncan-Russell HS		I HS
Teachers	16-17	17-18	18-19
Teacher misassignments of English learners	0	0	0
Total teacher misassignments	0	0	0
Vacant teacher positions	0	0	0

Professional Development

For new teachers to the district, the Tracy Unified School District requires new teachers to participate in the Tracy Teacher Induction Program (TTIP). This involves six full days of pre-service and four days of follow-up during the year. At this time, teachers are introduced to the district and their site and receive training on classroom management, content organization and lesson design.

All activities are based on the California Standards for the Teaching Profession (CSTP). Throughout the year in TTIP, teachers are additionally supported in the classroom on a regular basis by a staff-development specialist. New teachers who qualify for the Beginning Teacher Support and Assessment (BTSA) program to clear their preliminary credentials will be assigned a BTSA Support Provider and will work through the modules of the Formative Assessment of California Teachers (FACT).

The district offers professional-development opportunities for all staff members throughout the school year. Two full days are provided before the school year starts.

Professional Development Days			Three-Year Data
	2016-17	2017-18	2018-19
Duncan-Russell HS	5 days	5 days	5 days

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data 2017-18 School Year

Academic Counselors	
FTE of academic counselors	0.0
Average number of students per academic counselor	¢
Support Staff	FTE

Library media teacher (librarian)	0.0
Library media services staff (paraprofessional)	0.0
Psychologist	0.0
Social worker	0.0
Nurse	0.0
Speech/language/hearing specialist	0.0
Resource specialist (nonteaching)	1.0

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data2016-17 Fiscal YearTotal expenditures
per pupil\$22,036Expenditures per pupil
from restricted sources\$0Expenditures per pupil
from unrestricted sources\$22,036Annual average
teacher salary\$88,495

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Financial Data

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2016-17 Fiscal Year
	Tracy USD	Similar Sized District
Beginning teacher salary	\$48,137	\$49,512
Midrange teacher salary	\$70,952	\$77,880
Highest teacher salary	\$93,286	\$96,387
Average elementary school principal salary	\$126,958	\$123,139
Average middle school principal salary	\$133,564	\$129,919
Average high school principal salary	\$136,424	\$140,111
Superintendent salary	\$221,734	\$238,324
Teacher salaries: percentage of budget	39%	36%
Administrative salaries: percentage of budget	6%	5%

Financial Data Comparison			2016-17 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources		Annual Average Teacher Salary
Duncan-Russell HS	\$22,036		\$88,495
Tracy USD	\$6,110		\$74,520
California	\$7,125		\$79,665
School and district: percentage difference	+260.7%		+18.8%
School and California: percentage difference	+209.3%		+11.1%

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at http://dq.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of December 2018.
