School Profile: Click [here](#)

We welcome nearly 100 college admission representatives to campus each year for meetings with our students and college counselors. Most college visits happen in the fall, but we will consider requests throughout the year. We appreciate your interest in meeting our students and look forward to welcoming you to Saint Mary's.

Schedule a Visit

Our college counselors appreciate the time to meet with college representatives to learn more about your institution and to share updates about what is happening at Saint Mary's. We always schedule a college counselor to join your meeting with our students on campus.

College rep visits may now be scheduled online through RepVisits. We are listed as *Saint Mary's School, Raleigh, North Carolina*. The times listed (weekdays at 2:40pm and Wednesdays at 8:15am) offer the best opportunity to maximize student participation as we move into a new daily schedule for the 2018-2019 school year. Please plan for your visit to last about 30 minutes.

If you need to schedule a visit directly with us, please email Kyong Lee at klee@sms.edu and we will try to accommodate your request.
