Dears Parents,

We are offering students the ability to purchase a new TI-34 MULTI-VIEW calculator for use at home. This calculator will be the same one that students use in class on a daily basis.

Here are some benefits of the TI-34 MULTIVIEW calculator:

- Four line view screen to allow students to see previous work
- Has all necessary functions for homework assignments
- Excellent for grades 6-8 (This calculator is not recommended for the 8<sup>th</sup> grade 1A math class)
- Permitted for use on the PSSA
- **\$20.00**

If you would like to purchase a TI-34 for your child, please complete the following form and have your child turn in the form and money to:
