## \*PACKAGES INCLUDE BASIC RETOUCHING

Basic retouching whitens teeth and eyes, blends minor blemishes and softens skin tones to provide a great finished look for any portrait.

## ADVANCED CUSTOM RETOUCHING

Make your pictures perfect by adding Advanced Retouching. This includes: Extensive facial retouching, scar removal, eye glass glare, fly-away hair.

## TIPS FOR PICTURE DAY

1. This is your official school picture. Solid color clothing works best. Medium to darker tones are generally more flattering.
2. No re-takes due to change in clothing or hair.
3. For best results, we recommend our traditional, elegant blue/gray background. To select a different color, please have your child tell the photographer.
4. Please groom hair. Image Retouching will soften minor facial blemishes, but does not correct hair, braces or eyeglass glare (See Advanced Retouching).
5. All orders will be mailed to your home.  
Packages A-G include Full Resolution Digital image emailed to you.
