

## DAY OF SERVICE PERMISSION SLIP

Dear Parents,

The Fall of 2012 Cathedral began the tradition of our Day of Service as a way of celebrating our Birthday. How blessed that this day actually falls on our actual 100 year Birthday this year! Once again it's time to send out all 1100+ Students, Faculty, and Staff into our Community to volunteer for our All School Service Day. Several of the agencies are those our students have been volunteering with. So many Alumni, Friends, and Community organizations have been great supporters to Cathedral, this is our way of saying thank you and giving back!

This years' Service Day is **Friday September 13<sup>th</sup>** a required school day, will be a service opportunity with many other students. Some students may also stay on campus to help with some needs on campus. Students will be working with their towns within the County System. This day has proven to be an enriching and rewarding experience for the students as they build relationships with others whom they may never have had the opportunity to meet before this event. BUILDING RELATIONSHIPS WITH OTHER STUDENTS AND ADULTS AS WELL AS PROVIDING SERVICE ARE TWO OF THE IMPORTANT DEVELOPMENTAL ASSETS THAT STUDENTS NEED TO OBTAIN.

**Students should dress in long jeans and their county shirt.** If they have lost their county shirt then they should wear a Cathedral tee shirt. **Students need to bring a sack lunch.** Students may apply sunscreen before leaving if needed. Students need to wear closed toed shoes, preferably tennis shoes NO boat shoes or Toms. **Shorts and sandals are not acceptable.** If the weather is cool students can wear a long sleeve t-shirt under their county shirt. After the students finish their service and return to campus there will be a Prayer Service and then the students will be dismissed for the day. Dismissal could be as early as 2:45 and 3:00 PM.

Please complete the following information and **return to Theology Teachers by Sept. 6th** . Students without permission forms will remain at Cathedral, cleaning the building or grounds.
