Melanie Adams, Vice President
Margaret Buttram, Outgoing Treasurer
Ron Thomas, Scholarship
Jamie Hammond, Best Seats in the House
Brenda Colton, Member

The meeting was called to order at 7:03pm.

Principal's Report:

- Mr. Carroll sent in a report to include the following information:
 - Commencement went great
 - Summer school is rolling
 - CHS is partnering with Sinclair on internships
 - CHS is partnering with Equal Opportunity Schools on an equity project. The aim is to create student learning profiles for every student and engage more students in advanced curriculum, primarily AP.
 - Phase 3 of the carpet install is happening (along with paint, tile, etc.) The building is a hot mess!

President's Report:

- Lynne thanked everyone for their friendship and dedication to PTO over the years she has presided as President. The PTO Board officially transitions at this meeting.
 - Still in need of people for some key positions – secretary, Elk Pride, College & Career Fair, etc.
- Science Olympiad requested some money, but since they didn't really explain the need, nor did they need it for this year, we declined their request. PTO has, historically, given

them money and the students, historically, have helped with some events like College & Career Fair, Open House, etc.

Treasurer's Report:

- Susan discussed closing the existing bank account and reopening an account that is more appropriate for our needs, including having a debit card or credit card.
- Also discussed opening memberships at Sam's, Costco and GFS.
- We might also need to revise, or update, our by-laws.

Committee Reports:

- Membership – Need a chairperson. Need to get the membership mailing together and get it sent out as soon as possible. It was successful last year when we sent it early and included return envelopes.
- Scholarship – Nothing to report at this time. Need some fundraising ideas.
- Elk Pride – Need a chairperson – Julie Eversole stepped up! Thank you! Need to decide how we will structure the program for this year. Maybe get Herd leaders involved?
- Curriculum Advisory – Nothing to report at this time. CAC does not meet until October.
- Teacher Appreciation – Need a chairperson. Need to decide if we'll just do something in May during Teacher Appreciation Week, or if we'll also try to do something monthly.
- Late Night at CHS – Need a chairperson if we are going to do it again this year. Need to discuss and decide.
- Best Seats in the House – Jamie was absent. Event is coming up!
- Elk Tours – Cambra continues to facilitate tours when requested. Christina Hoschouer is interested in helping with tours.
- College and Career Fair – Need a chairperson – Christina Hoschouer stepped up! Thank you! We need to find out exactly what PTO pays for, and exactly what PTO's responsibilities are.
- Hospitality – Need a chairperson.

Old Business:

- Fundraising – no recent socks or thumb drives sales. Need to talk with Pattie Pearce to see if we will continue selling these.

New Business:

- Nothing new to report.

Next meeting: Wednesday, June 12, 2019 in the PDC.

Meeting adjourned at 7:9pm
