

Aspen Academy's commitment to providing an extraordinary educational experience for our students runs deep in our culture.

We offer a wide variety of extra-curricular opportunities to enhance and enrich each student's overall experience. These are a complement to our rigorous and innovative core academic program.

Registrations & payments are submitted online at store.aspenacademy.org

Please pay and register through outside vendors individually.

**Direct questions to Debbie Cordero
debbie.cordero@aspenacademy.org
303.346.3500, ex 105**

Important REGISTRATION information, please read carefully:

1. Registration for Aspen Academy classes opens Tuesday, August 1st at 10am. Both registration and payments need to be submitted Online at store.aspenacademy.org.
2. To register for an activity which is offered from an outside vendor, please refer to the information for each individual vendor listed in **GREEN** within the class description.
Note: Some outside vendors may have different registration time lines.
3. The registration process is first come, first serve. Once the class maximum has been enrolled, registrations will be wait-listed. If enrollment is below the minimum requirement, the class will be canceled at the discretion of the sponsor.
4. On non-student days, any Aspen sponsored activities will not be held. Outside vendors will determine their schedules individually; it is their responsibility to communicate their schedule directly.
5. Be conscious of class times! It is the parent's responsibility to deliver their children to all classes, unless they are enrolled and prepaid in extended care. Also, any children who are not picked up at dismissal time will be signed in to our aftercare program. This will prompt a charge for the amount specified in the Family Handbook for late pick up, per minute.
6. Registration fees provide a stipend for the sponsor leading the enrichment program as well as all standard program costs. Competitive teams that advance to regional, state or national competitions may incur additional fees that are shared equally among the team member families.
7. Parent volunteers are essential to a successful enrichment program. Contact your program sponsor to inquire about volunteer opportunities.

40 JC	Family Opportunity: A Journey in Cooking	<p>This experience will focus on a new dish each week. We begin with a short history about the dish's origin and demonstration of its complete preparation in the beginning of each class. Adults and students will then execute each dish by working cooperatively in small groups. Each class will culminate in the collaborative creation of that week's dish in focus and we will enjoy the meal as a group. This class is about communal learning and the cultural experience of food preparation and celebration of its sharing together. (This class will at times include shellfish, gluten, pork, eggs, and nuts in our prepared food omission may be possible but not guaranteed.)</p> <p>Facilitator: Mr. Esposito</p>	Sept 4, 11, 18 Oct 2, 9, 16 Nov 6, 14	W	5:00-7:00pm	Community Kitchen	10-14 adults with their children	Aspen academy Parents and their children in grades 4th-8th	\$213 everything included for your family!
34 IDI	Intercultural Development Inventory	<p>Take this opportunity to participate in an internationally normed assessment and a small group debrief discussion to increase your own cultural self-understanding. Aspen Staff and several parents have already participated in this process since 2017. What is the IDI?</p> <p>The IDI Inventory assesses intercultural competence—the capability to shift cultural perspective and appropriately adapt behavior to cultural differences and commonalities. One of the primary goals of this tool is to increase cultural self-understanding. "The IDI is a cross-culturally valid, reliable and generalizable measure of intercultural competence along the validated intercultural development continuum." A wide range of organizations and educational institutions use the IDI including Boulder Valley and Denver Public Schools, Duke and Purdue Universities, Microsoft, Walt Disney and Harley Davidson. To learn more about the IDI, go to www.idiinventory.com.</p> <p>Once you register, approximately six weeks before your debrief, you will receive:</p> <ul style="list-style-type: none"> • An email from IDI with a unique login and password to access your confidential inventory. The Inventory is a 50-item online questionnaire that can be completed in 15-20 minutes. • You will also receive an email confirming the date and time of your group debrief session with Kristina. • Approximately 5-7 days before the group debrief, you will receive a report of your confidential results. 	Battle Bots with Edison Robotics Code and Operate	Come learn about robotics principles in an exciting, hands-on format! In this class, we'll explore the small-but-mighty Edison® robot! We'll learn to program these powerful robots with an easy-to-use visual programming interface to navigate a maze autonomously and with precision. We'll also teach our bots to use sensors to follow lines, avoid edges and obstacles, and react to lights and sounds. The fun doesn't stop there! These robots are compatible with LEGO® blocks, so that students can connect them to work collaboratively. This class teaches students to think like young engineers! 36 ST	Chess Club	<p>Chess Wizards is one of the nation's premier chess education companies and is so popular with kids because of our unique structure. First, we let kids get the wiggles and giggles out with 10 minutes of free play and review of past taught topics. We then go right into the week's lessons. We separate students based on skill levels and teach different lessons best suited to their individual needs. All lessons have an activity and homework to accompany them and we have well over 80 different lessons to keep challenging our little wizards! Our interactive, discovery-based curriculum inspires students to think ahead, visualize their goals, treat others with respect and to learn from mistakes. Our classes are geared to suit children of all skill levels; from chessing to checkmate artist, students will build upon their knowledge through lessons, tournaments, variation games and more! Let us coach your kids to a higher level of education!</p> <p>For registration, kindly go to https://chesswizards.com/ and click register then sign up and fill out the necessary fields. 40 JC	Family Opportunity: A Journey in Cooking	<p>This experience will focus on a new dish each week. We begin with a short history about the dish's origin and demonstration of its complete preparation in the beginning of each class. Adults and students will then execute each dish by working cooperatively in small groups. Each class will culminate in the collaborative creation of that week's dish in focus and we will enjoy the meal as a group. This class is about communal learning and the cultural experience of food preparation and celebration of its sharing together. (This class will at times include shellfish, gluten, pork, eggs, and nuts in our prepared food omission may be possible but not guaranteed.)</p> <p>Facilitator: Mr. Esposito</p>	Sept 4, 11, 18 Oct 2, 9, 16 Nov 6, 14	W	5:00-7:00pm	Community Kitchen	10-14 adults with their children	Aspen academy Parents and their children in grades 4th-8th	\$213 everything included for your family!
