

OK-942 7 Year Curriculum Plan

				Current			
AY	2016/2017	2017/2018	2018/2019	2019/2020	2020/2021	2021/2022	2022/2023
AS (40%)	100	300	220 Ch. 1-3	220 Ch. 4-6	100	300	200
LE (40%)	400+Drill	100+Drill	200+Drill Ch. 1-5	300+Drill Ch. 3-6	400+Drill	100+Drill	200+Drill
W (20%)	Wellness	Wellness	Wellness	Wellness	Wellness	Wellness	Wellness

1. OK-942 has blended classes of 1st through 4th year cadets. Elements of LE-100 such as customs & courtesies are included by the instructors and peer mentoring throughout the year for 1st year cadets so they can learn about the AFJROTC program.
2. Tuesdays/Wednesdays are double block days used for instruction IAW the OK-942 40/40/20 Daily Instruction Plan. One week might be LE or AS, and on other weeks Wellness, in order to maintain a 40/40/20 mix as directed by HQ.
3. Instructors may deviate up to 10 % from normal AFJROTC curriculum.
4. Instructors use AFJROTC provided materials for all courses listed. Authorized supplemental material includes AF provided supporting materials or related outside videos, news articles, exercises, games, etc. (An approved curriculum waiver must be on file if more than 10% outside curriculum/supplemental used).

Aerospace Science:

AS 100 – A Journey Into Aviation History
 AS 200 – The Science of Flight: A Gateway to New Horizons
 AS 220 – Cultural Studies: An Introduction to Global Awareness
 AS 300 – Exploring Space: The High Frontier
 AS 400 – Management of the Cadet Corps
 AS 410 – Survival: Survive & Return

Leadership Education:

LE 100 – Traditions, Wellness, and Foundations of Citizenship
 LE 200 – Communication, Awareness, and Leadership
 LE 300 – Life Skills and Career Opportunities
 LE 400 – Principles of Management

Note: Blended classes (all grades in the same classroom) provide a great opportunity to take advantage of the mentoring potential provided by upper level cadets.
