Middle School After and Before School Program Permission Slip 2019-20 Thursday Activity Session

After School – Across the Street is a non-profit organization offering **free** before and after school program activities for McKnight Middle School students at St. Matthews Lutheran Church. These adult-supervised programs are designed to give kids a safe and fun place to hang out before school from 7:15-9:00am on late-start Fridays and after school on Thursday afternoons from 2:35-4:00pm. Students who ride the bus to McKnight Middle School will have the opportunity to ride an activity bus home at 4:00pm. Other students can either be picked up by their parents or walk home. **This permission slip to attend for the entire school year needs to be submitted. Signed slips should be returned to the main office at McKnight or St. Matthews Lutheran Church.**

I hereby give my consent for **(student)** _____
to participate in the Middle School Before and After School Programs sponsored by After School – Across the Street. I understand that some activities may take place at either the church or McKnight Middle School. I also understand that my child is responsible for his/her own transportation between buildings. I will not hold After School – Across the Street, St. Matthews Lutheran Church, McKnight Middle School or any of the volunteers or staff associated with the above listed programs responsible for any injuries, damage, or personal loss incurred while the student participates in program activities.

_____ **(parent/guardian initials)** I give my permission to After School – Across the Street to use photographs of my child in its public displays or media releases. I understand that these photographs will not be sold or used for commercial purposes.

The expectations of participants in the after/before school program: put downs and disrespectful language are not tolerated and no drugs or weapons are allowed on the premises. Students will not be allowed to leave church or school grounds and return to the program for any reason. A parent must contact the after school supervisor if the student needs to be released from the program before 4:00pm. *I have discussed appropriate behavior with my child and I understand that my child must follow all program rules.*
