After School – Across the Street is a non-profit offering no cost after school tutoring services for McKnight Middle School students during the school year. This adult supervised program, along with high school volunteers, is designed to provide academic support to students after school on Tuesday afternoons from 2:35-4:00pm. Tutoring can be a positive experience if the student is in attendance each week. Students who ride the bus to McKnight Middle School will have the opportunity to ride an activity bus home at 4:00pm. Other students can either be picked up by their parents or walk home. **Students will need to have this permission/commitment slip completed, signed and submitted in advance to participate in the program. Slips should be turned to the front office at McKnight or St. Matthews.**
