

AACS VOLUNTEER TEAM

Building Our Community Together

ANNAPOLIS AREA
CHRISTIAN SCHOOL

UPPER SCHOOL

The Upper School offers many opportunities for parents to get involved. Many opportunities require little time or commitment while still giving parents the opportunity to be involved in their child's educational experience. AACS believes our school culture is strengthened by the involvement and partnership of our families. All parents are encouraged to get connected and volunteer their time in some way as we work together to accomplish our school's mission.

Please specify the areas in which you would like to volunteer and send this form to your student's campus or email to Patti Smith (US Parent Rep) at usvols@aacsonline.org.
