

# AACS VOLUNTEER TEAM

ANNAPOLIS AREA  
CHRISTIAN SCHOOL

## Building Our Community Together

AACS invites parents to join our Volunteer Team. The purpose of this organization is to help families get connected into the AACS community, build relationships with other parents and AACS staff, and to provide support for our faculty and staff on each campus – all to strengthen the Christ centered culture and community of AACS as a whole. If you are interested in getting involved, please contact the Volunteer Parent Representative at your child's campus.
