A Note From The Teacher

Dear 5th Grade Families,
Whew! We made it through the first seven days of school. The days flew by in a wink of an eye. It was fantastic to meet and say hello to many of you at the open house. In addition, it has been fun getting to know each student and his/her unique traits and qualities. I will enjoy watching each one grow throughout the year. I also enjoyed learning about each student through the My Favorite Things writing activity. Thank you for helping gather three special items. Be sure to look for this writing piece in the hall.
