

MRS. HARTMAN'S SUPER NEWS!

August/September
2019

The Past Few Weeks!

During the first two weeks of school we have done a lot of fun activities! We have worked together to get to know one another and build a classroom community through games, ice breakers, and even a few experiments. We finished up our NWEA Reading test and will start working on our NWEA Math after Labor Day. I look forward to continually building our community with respect and responsibility throughout the year. It is going to be a SUPER year!

Thank you to all the families who donated communal supplies. We greatly appreciate it!
