School: Boys' Latin of Philadelphia Charter School

Our school receives federal funds for programs that are part of the Elementary and Secondary Education Act (ESEA), as amended (2015). Throughout the school year, we will continue to provide you with important information about this law and your child's education. If you request this information, the district or school will provide you with the following as soon as possible:

- if the teacher has met State certification and licensing requirements for the grade levels and subjects for which the teacher provides instruction;
- if state certification and licensing requirements have been waived (is not being required at this time) for the teacher under emergency or other temporary status;
- if the teacher is teaching in the field of discipline for which they are certified or licensed;
- if the teacher has met State-approved or State-recognized certification, licensing, registration, or other comparable requirements. These requirements apply to the professional discipline in which the teacher is working and may include providing English language instruction to English learners, special education or related services to students with disabilities, or both; and
- if your child is receiving Title I or Special Education services from paraprofessionals, his or her qualifications.
