Digital Citizenship Announcements: Privacy & Security 8/30/19

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Privacy & Security. We all know it's important to stay safe when navigating the Internet. Unfortunately, revealing too much about yourself to those you meet online can be a bad decision. The choices we make online, just like the choices we make in real life have consequences. Those consequences can be good or bad. At Maryville City Schools, we recommend that each person: Self-assess before you self-reveal anything online. Carefully think about the consequences that can come from giving out your information. Are these consequences good or bad? The information you give out online can impact your life offline. The choices are yours.

Homework Help

Starting on Tuesday, September 3rd, CGIS will offer homework help for all of our student's grades 4th through 7th. Homework Help will encompass all subject matters with Ms. Borstelmann in room 2082. The program will be Monday through Friday from 7:00 am until 7:25 am. Please let the monitors in Town Square know that your student is coming to school early for Homework Help and they will be allowed to go upstairs for this program. Please be aware that this is not a tutoring program and Ms. Borstelmann will only be doing assistance as needed for homework.

K12 Portal Enrollment FAQ Sheet

Because of the highly mobile nature of technology programs, with devices being used at both school and at home, many schools across the nation have developed a working relationship with Safeware. We have arranged a safe, secure, and easy method for purchasing Safeware coverage on your son or daughter's computing device.

Simply go to **my.safeware.com** using Google Chrome or Mozilla Firefox as your browser. Then, once you've entered all the requested information, including your credit card information, you will be asked to hit "Submit" one time. If you hit this button more than once your credit card will be charged more than once.

Common Questions You May Have During Your Enrollment

- **How do I get a policy for my child?**
  You are enrolling in group coverage, not individual coverage. You will need to contact you school for instructions. Since these portals are for school group policies and each program is different we aren't the best source of information on how to get coverage.

- **What website do I go to for insurance for my child?**
  The website for K12 student enrollment is **my.safeware.com**. *Check the enrollment form you received from your school for specific login information. You can also ask your school for this information.*

- **I lost the paper that says how to log in. How do I enroll?**
  If you have lost this form your school should will have more on hand.

- **I misspelled my child's name/I put the wrong serial number in. How do I fix this?**
  If you have enrolled with an incorrect serial number or a student name simply email us the school name, school district name, resident state and amount of premium requested on the portal as well as corrected student name/serial number to service1@safeware.com. *The same rule applies if you didn't enter a name or serial number at all. We will correct these issues on our end and make your school aware.*

- **I have more than one child in the same school technology program? Do I only enroll once?**
  If you have more than one child to enroll you will have to do so one at a time and you will be charged for each enrollment. You will also receive an email confirmation for each enrollment.

- **I got more than one enrollment confirmation email for the same child. Can I get a refund?**
  If you receive more than one email confirmation or if you have duplicate enrollments please send us an email with the school name, school district name, resident state and amount of premium requested on the portal as well as student name and serial number to service1@safeware.com. *We will contact you as soon as we can to inform you of your refund(s) and make your school aware of the duplicate(s).*

- **I can't log in. Is the username or password wrong or is the site broken?**
  If you can't log into your school's enrollment portal please inform your school so they can work with us on a solution. Your school with then let you know when you're able to log in.

- **I missed the window to enroll my child. Can't I still enroll him/her?**
  If you missed the enrollment window please contact your school for further assistance.

2019 Fall Running Club at CGIS

All Students are invited to participate in Fall Running Club. We will meet immediately after school at the cafeteria and end at 4:00 pm. This club is filled on a first-come, first-served basis. There is space for 50 runners. Please return the permission form and cash or check made out to CGIS by Tuesday, September 3rd. Respectful and compassionate behavior is mandatory.

Cost $40 for 24 sessions (includes snacks and a T-shirt. ($30 without a shirt.)

Running Club will start Wednesday September 4th. We will meet every Wednesday and Friday that school is in session through December 11th. Please have your student wear running shoes and bring a water bottle every day!

Each session will start with a warm up run followed by a fresh fruit snack and running games.

We will run the Trot for Education 5K Sunday, November 24th and the Reindeer Run 5K Sunday, December 8th. (These optional races involve a registration fee. Students race at their own pace. Family members are encouraged to join us. I will finish with the slowest runner.)
