

August 30, 2019

Dear Bloomfield Hills Middle School Families,

It is with great excitement and gratitude that I welcome you to the 2019-2020 school year as your new Associate Principal. I am thrilled to be joining the Bloomfield Hills Middle School staff! It is an honor to be a part of a school community filled with an enthusiasm for learning and a staff dedicated to the success of every student. I look forward to continuing the BHMS mission of building strong relationships and providing students with academic, social and emotional growth. I also look forward to meeting all of the BHMS students and families!

Previous to this position, I served as the K-12 Math Teacher Leader of Bloomfield Hills Schools, as well as the General Education Resource Teacher at West Hills Middle School. Prior to moving to Michigan, I taught in Seattle, Chicago, and Connecticut. I am eager to bring my skills as an educational leader to BHMS and work with the staff and families to ensure your child's success.

I strongly believe that with a positive attitude, a growth mindset, and good character anyone can achieve great things. I strive to instill those qualities in our young people and to be a positive role model as well. We are all here to learn together. It is my goal to provide a safe and nurturing educational environment that challenges our students to reach beyond their expectations, to become lifelong learners, who will make the world a better place.

We have been working hard this summer to prepare for another amazing year here at BHMS! I look forward to meeting the students on our first day of school. Please feel free to stop in and say hello, call or email - my door is always open. If there is anything I can assist you with, please let me know. Enjoy the last beautiful weekend before the first day of school!

Sincerely,

Harleen Singh, Associate Principal
Bloomfield Hills Middle School
