NJCL gives awards as follows:

1st – 5th: Ribbon and Sweepstakes Points. Placing 1st – 5th is an outstanding achievement. Those who win sweepstakes points for 1st – 5th place are ranked overall in academic, creative or graphic arts out of approximately 1,100 students at the convention.

6th – 10th: Certificate of Recognition. At Levels 1-3: competition in all the academic tests is very strong (some tests are taken by up to 150 students per level), so a place in the top 10 is given special recognition. At levels 4-5: fewer students per test, placing is still very challenging because students have been preparing for those specific tests for several years, and are very strong in their content area.

All of our students competed at level ½ (Form 7) or level 1 (Form 8), with the exception of Jack Rykert who, though also Form 8, has already completed the Latin II Honors course with Mr. Randy Thompson.

Several students placed 1st through 5th in multiple events, and many more placed 6th through 10th in multiple contests.

Here are some notable results (complete results, including those for Olympika, are included on the next page):

- **Anish Beeram** placed 6th overall at the convention in Creative Arts for his excellent showing in Latin Oratory, Sight Latin Reading, and Essay.
- **Sofija Dudhia** placed in the top 10 in all academic events she chose to enter, four of which were top 5; she also placed 3rd in Cartoons (Grades 7-9), and 5th in Modern Myth (Lower Division - Grades 7-9), a creative writing piece submitted and judged earlier in the summer.
- **Emilia Kniestedt** placed 3rd in Mottoes, 4th in Latin Grammar, 4th in Reading Comprehension, and received top 10 certificates for all other academic events she chose to enter.
- **Leonora Leykum** received special recognition and a medal for placing 8th overall in Academics at the convention. She placed 1st in Academic Heptathlon, 1st in Greek Derivatives, and 1st in Latin Derivatives. She also placed 2nd -4th in all other academic events she chose to enter.
