PTO funds many amazing things throughout the year...  
but one exciting project this year is to add an  
**Outdoor Learning Space!**

There are countless benefits to working and studying outside, here are a few:

- Increases attention span
- Restores ability to focus
- Enhances memory
- Reduces stress
- Improves mood
- Opens mind to greater creativity
- Boosts mental health
- Increases natural energy
- Boosts problem-solving skills
- Promotes teamwork

WHS has four spaces we hope to change and enhance into outdoor learning areas. Our goal is for two outdoor lecture style spaces while the other two would allow for flexible work areas and additional shaded lunchtime options. Fundraising for this year is for the first lecture space.
