

# THIS IS WHERE...

2019 | 2020 RESURRECTION COLLEGE PREP HIGH SCHOOL

# YOUR FUTURE IS FILLED WITH **LIMITLESS** **POSSIBILITIES**

Resurrection College Prep High School is the largest single-gender female Catholic school on the North Side of Chicago. We pride ourselves on our Chicago roots that connect us to the strong work ethic which upon this city was built and instow that on all who attend Resurrection.

## OUR HISTORY

The Sisters of the Resurrection, a religious order founded in Rome by Blessed Celine Borzecka and her daughter Mother Hedwig Borzecka in 1891, began its educational ministry in the United States in 1900. Sister Anne Strzelecka, C.R. opened Resurrection College Prep High School in 1922. Central to the Sisters' mission is the transformation of society by uplifting women through education.

Since our founding in 1922, Resurrection has enabled thousands of alumnae to reach their full potential and become leaders of Charity and Truth. Today, Resurrection incorporates cutting-edge academic programs and activities that prepare young women for success in college, career, and life.

## OUR MISSION

Resurrection College Prep High School is a Catholic Christian community dedicated to the education of young women, and to the development of their God-given talents. Convinced of God's unconditional love and nourished by the Risen Lord Jesus Christ, we are committed to the spiritual, ethical, intellectual, physical and social growth of our students.

## THE LASALLIAN MISSION PROVIDES TRANSFORMATIVE EXPERIENCES THAT ARE INNOVATIVE AND HOLISTIC.

Lasallian education enriches the whole person through teaching, technology and the development of the student's cultural, intellectual, physical, social and spiritual well-being. Lasallian education centers on Catholic values and personal relationships, emphasizing academic excellence, faith formation, inclusion, respect for the individual, service and social justice.

Lasallian education is rooted in the mission of Saint John Baptist de La Salle, patron saint of teachers, who founded the Institute of the Brothers of the Christian Schools (De La Salle Christian Brothers) more than 300 years ago. De La Salle transformed education by forming a community of educators with whom he developed a spirituality of teaching and learning, to give a human and Christian education to young people, especially the poor. Today, the De La Salle Christian Brothers and Lasallian Partners continue to respond to students through advancements in teaching, technology and scholarship. In Lasallian communities, educators touch hearts, stimulate minds and cultivate leadership to prepare students for life, work and service to society and the Church.

# A SINGLE-GENDER ENVIRONMENT EMPOWERS YOUNG WOMEN TO BECOME STRONG LEADERS

**AT RESURRECTION, YOUNG WOMEN ARE ENCOURAGED TO GROW THEIR TALENTS GUIDED BY A STAFF WHO UNDERSTANDS THE SINGLE-GENDER EDUCATION ADVANTAGE.**

## **HIGHER TEST SCORES**

Women who attend single-gender schools tend to outscore their coeducational counterparts on the SAT. The average SAT score for Verbal and Math is 28 points higher for single-gender alumnae in the Catholic school sector.

## **GREATER ACADEMIC ENGAGEMENT**

Women graduates of single-gender schools exhibit higher academic engagement than do their coeducational counterparts in the areas of time spent studying or doing homework, studying with other students, tutoring other students and talking with teachers outside of class. Students who attend all-girls schools report they are more confident about speaking, tackling problems and expressing their ideas.

## **HIGHER ACADEMIC SELF-CONFIDENCE**

In addition to stronger academic abilities, female graduates from single-gender schools are more likely to rate themselves higher in the areas of academic ability, intellectual self-confidence, writing, public-speaking, mathematics, and computer skills.

## **GREATER INTEREST IN GRADUATE SCHOOL**

Students who attend a single-gender school are more likely to express an interest in graduate school than their coeducational peers.

## **STRONGER PREDISPOSITION TO STUDENT INVOLVEMENT**

Graduates of single-gender schools are more likely than their coeducational counterparts to report that there is a very good chance they will participate in student clubs or groups while they are in college.

## **GREATER SUCCESS IN STEM**

Girls who attend single-gender schools report enjoying math more, find math less difficult and have significantly more positive attitudes toward science. Girls in single-gender schools are about 40% more likely to take advanced science courses than girls of comparable ability at co-ed schools.

"When I shadowed at Res, it felt like home. I knew I would have fun while also getting a great education. It's very comforting to see familiar faces as you walk the hallways. The smaller classes let us form relationships with our teachers and that has a lot of benefits. You want to push yourself to do your best. I'm involved in a lot of things at Res and outside of school and gained confidence and leadership skills. Resurrection is a place where you will never feel alone and you will feel like you are a part of something really special and really great." –Carson '21

93%

of graduates from all-girls schools reported that the schools provided greater leadership opportunities than co-ed schools.

# KNOWLEDGE IS ACQUIRED USING SKILLS-BASED LEARNING TECHNIQUES

WE FOCUS ON SKILLS-BASED LEARNING ENVIRONMENTS  
WHERE INDEPENDENCE, CRITICAL THINKING SKILLS,  
COLLABORATION, AND ACTIVE LEARNING ARE DEVELOPED  
TO ENHANCE KNOWLEDGE AND EDUCATE THE WHOLE PERSON.

A black and white photograph of three young women, likely graduates, standing outdoors and smiling. They are wearing white academic gowns with dark stoles and circular medals. The background shows trees and a building. A red text box is overlaid on the right side of the image.

We are committed to providing a comprehensive academic program that will stretch students to reach their full potential. Emphasizing a skills-based approach gives students the tools for a lifetime of learning on the path to becoming global citizens.

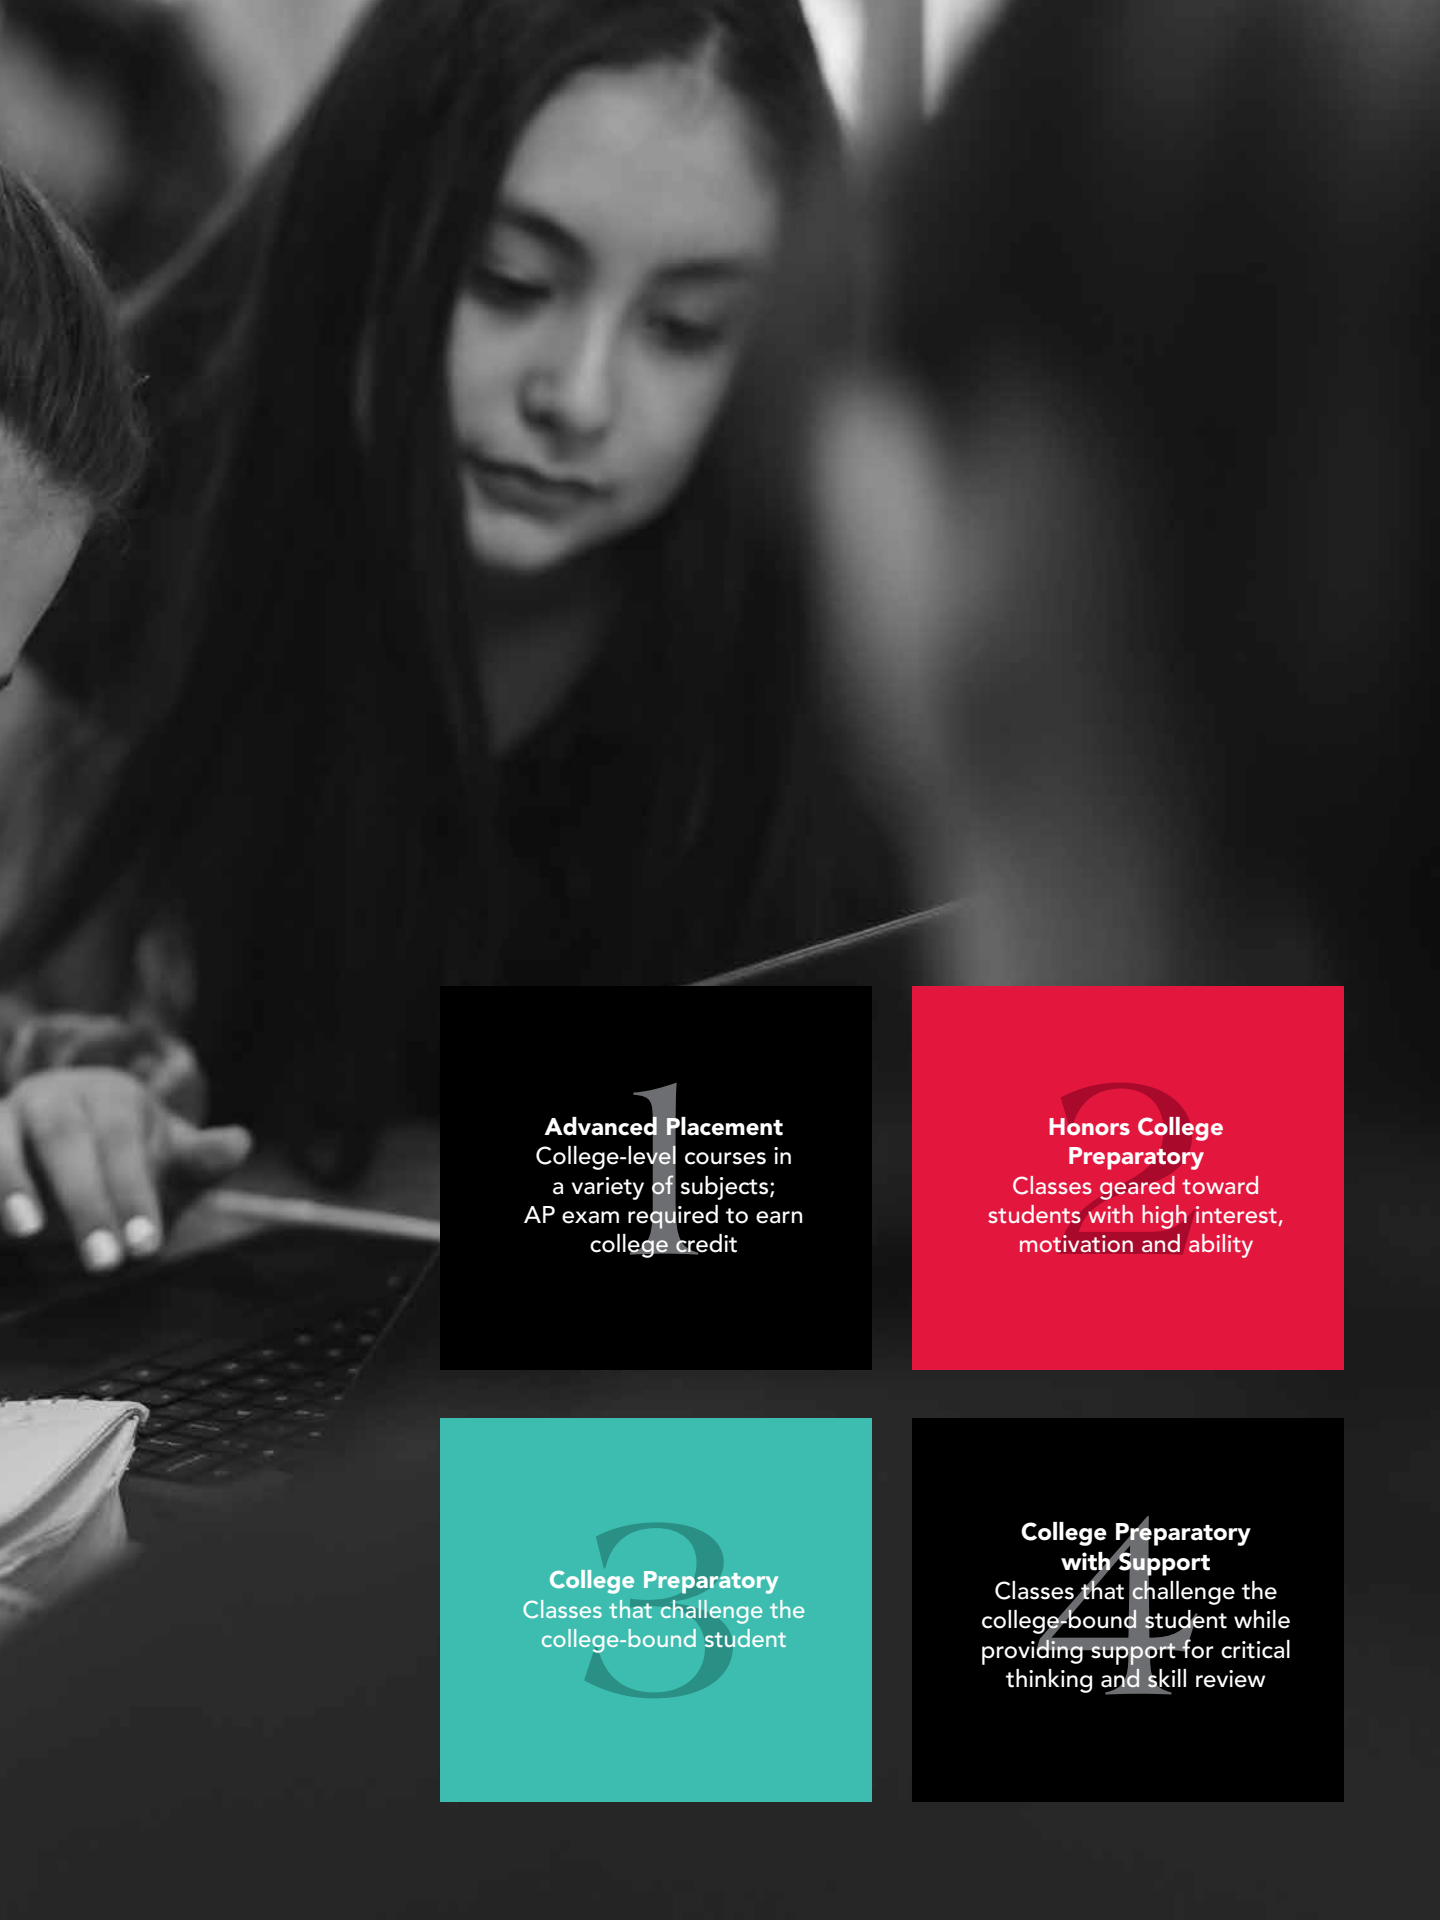

# CLASSROOM ENVIRONMENTS ENSURE INDIVIDUAL GROWTH IN EACH AREA OF LEARNING

DEPENDING ON INTERESTS, ABILITIES, AND GOALS, A STUDENT WILL BE PLACED WITHIN A LEARNING ENVIRONMENT THAT BEST SUITS HER AS AN INDIVIDUAL TO ENSURE GROWTH IN EACH AREA OF LEARNING. ALL OF OUR CLASSES ARE COLLEGE PREPARATORY, WITH VARYING ENVIRONMENTS OF LEARNING.

**1**  
**Advanced Placement**  
College-level courses in  
a variety of subjects;  
AP exam required to earn  
college credit

**2**  
**Honors College  
Preparatory**  
Classes geared toward  
students with high interest,  
motivation and ability

**3**  
**College Preparatory**  
Classes that challenge the  
college-bound student

**4**  
**College Preparatory  
with Support**  
Classes that challenge the  
college-bound student while  
providing support for critical  
thinking and skill review

of 2019 graduates  
earned \$100,000 or more  
in college financial awards

# STUDENTS ARE CHALLENGED AND SUPPORTED TO REACH THEIR FULL POTENTIAL OF LEARNING

## ACADEMIC PROGRAMS

### **Mother Celine Scholars Program**

High-achieving students have the opportunity to participate in the Mother Celine Scholars Program, named after the foundress of the Congregation of the Sisters of the Resurrection and champion of education for women. Students in the program follow an honors and AP course of study. The school's most talented and motivated students are provided unique academic experiences in combination with **cultural enrichment and service opportunities**. In addition to the variety of advanced course options, students in the Mother Celine Scholars Program are offered multi-disciplinary opportunities that focus on research, creative problem-solving, collaborative relationships, values-based leadership, ethical decision making and social justice. A diploma of distinction is awarded at graduation.

### **Rankin Academic Support Program**

The Rankin Academic Support Program is a college preparatory course of studies for students who require support with Resurrection's rigorous college preparatory curriculum.

The program, named in honor of former Resurrection educator Sr. Joyce Rankin, C.R., provides one-on-one tutoring and small classroom instruction so that students can master **the same classroom curriculum as their peers**. Students enrolled in the program have a class period which offers learning strategies, skills reinforcement and individual assistance from qualified resource teachers who collaborate with students' classroom teachers. **This class is built into their schedule as opposed to taking students out of their classes.** Students are afforded moderate accommodations/modifications and are taught life-long learning skills which will enable them to set and achieve their academic goals now and in the future. A transitional component is also in place for students who are ready to move on from supported learning when they are ready. Additional support is available for students with IEP or 504 requirements to ensure their needs are met.

# 80

**minutes per class**

Our modified A/B block schedule allows classes to meet on alternate days for an extended period

# TECHNOLOGY IS INTEGRATED INTO LEARNING EXPERIENCES THROUGHOUT THE CURRICULUM

RESURRECTION ENCOURAGES STUDENTS TO BUILD, CREATE, AND EXPLORE IN THE AREAS OF SCIENCE, TECHNOLOGY, RELIGION, ENGINEERING, THE ARTS, AND MATH AND BREAK BEYOND GENDER STEREOTYPES THAT LIMIT WOMEN'S PARTICIPATION IN STREAM FIELDS.

### **INNOVATION LAB**

Resurrection students engage with technology in our makerspace, the Innovation Lab. This lab promotes active learning while allowing students to develop their creativity and problem solving skills. The Innovation Lab provides space for students to explore and utilize technology as creative participants, with tools including:

- 3D printing
- app development
- CAD design
- multimedia creation
- robotics
- sound engineering
- video production
- virtual reality
- web design

### **STUDENT-CENTERED LEARNING**

Aligned with the mission of Resurrection College Prep, the technology program aims to create an environment that develops ethical digital citizenship and cultivates 21st century literacies by seamlessly integrating the effective use of technology into the curriculum. Through skills and knowledge gained, upperclassmen have the ability to become Tech Leaders as a resource to students within the Innovation Lab.

**1:1**  
**technology**

Resurrection students utilize Chromebooks to enhance collaborative learning and access cloud-based apps and data storage.

# A STREAM-FOCUSED APPROACH TO TEACHING ENGAGES STUDENTS

## **RESURRECTION'S STREAM PROGRAM MISSION STATEMENT**

True to the call of the Sisters of the Resurrection to transform society, the Resurrection STREAM program works to prepare students with the skills, knowledge, strategies, access and opportunities to become innovative and creative problem solvers of relevant, real world problems informed by a Catholic worldview. STREAM is a mission-centered approach to teaching science, technology, religion, engineering, art, and math.

## **WHY IS STREAM A PRIORITY FOR RESURRECTION?**

Resurrection's academic program has always been rooted in an authentic Liberal Arts tradition infused with a Catholic anthropology. For this reason, the decision was made to design a program with a STREAM curriculum, rather than a more traditional STEM to STEAM Model. Students will make connections across each discipline with an emphasis on scientific observation, technological exploration, artfully engineered design with a focus on solving relevant, real world problems, all grounded in a Catholic worldview. We believe that a STREAM program is a transformative catalyst for creative problem solving.

Starting in the fall of 2019, Resurrection College Prep will offer a STREAM track for incoming freshmen. Students will take STREAM I their freshmen year; STREAM II sophomore year; optional STREAM electives their junior year; and then STREAM III (capstone project) their senior year. Some of the STREAM electives include robotics, mobile makers, integrated health science, graphic design and more. STREAM I and II are honors level courses and STREAM III is designed to be an AP course and has the potential to earn the student college credit.

Students will also participate in the annual STREAM research symposium and many out-of-school STREAM experiences.

Students who complete the four-year STREAM program will be recognized at their senior graduation with a STREAM academic cord and a certificate of completion.

# 100%

Young women at Resurrection are challenged to becoming innovative and creative problem solvers, utilizing a STREAM-focused curriculum.

# SPIRITUAL DEVELOPMENT, ALONG WITH EDUCATION, GUIDES YOUNG WOMEN

AT RESURRECTION, STUDENTS DISCOVER HOW THEOLOGY  
COURSEWORK IS INTEGRATED INTO REAL-WORLD EXPERIENCES  
TO ENCOURAGE GREATER FAITH AND SPIRITUALITY.

### **SPIRITUAL DEVELOPMENT**

At Resurrection, students are guided in their spiritual development along with their education. To facilitate this journey, Resurrection offers students opportunities to:

- Plan and participate in monthly all-school liturgies
- Train to become Eucharistic ministers, lectors and altar servers
- Participate in annual class retreats, including the Kairos retreat available to Seniors
- Utilize the campus ministry office, staffed with a campus minister and chaplain
- Join the Campus Ministry Leadership Team, the *Anastasias*: Women of the Resurrection
- Attend periodic prayer and reflection opportunities throughout the school year

### **CHARITY & TRUTH IN ACTION**

The motto *Caritate et Veritate*, or *Charity and Truth*, is central to the philosophy of Resurrection College Prep and is an integral part of our approach to education. Service is a way of life and students participate in a variety of ministry opportunities through our service program, with a focus in an area of concentration for each class level.

### **Areas of Service Concentration**

Year 1: Family

Year 2: Church or School

Year 3: Social Community

Year 4: Marginalized Groups

A grayscale photograph of a student's hands working on architectural blueprints. The student is using a black pen to draw on the plans, which are laid out on a table. A ruler and a compass are also visible on the table. The background shows more blueprints and a pair of glasses.

# PRACTICUM ALLOWS STUDENTS TO EXPLORE VARIOUS FIELDS AND CAREERS, AND SHADOW PROFESSIONALS

30+

Hours practicum students  
spend in the field  
participating and learning  
with mentors

**RESURRECTION OFFERS A ONE-OF-A-KIND HIGH SCHOOL OPPORTUNITY TO EXPLORE VARIOUS FIELDS, SHADOW PROFESSIONALS, AND TEST-DRIVE CAREER OPTIONS. OUR LOCATION ON THE NORTHWEST SIDE OF CHICAGO PROVIDES AMPLE ACCESS TO PROFESSIONAL MENTORS AND JOB SHADOWING PLACEMENTS IN THE CITY AND SUBURBS.**

#### **PRACTICUM JOB SHADOWING PROGRAM**

The Practicum Job Shadowing Program is an experience “in the field” where students are placed with mentors and actively participate in professional work settings. This program provides juniors and seniors with unique, real-world field experiences which enable them to better understand the practical and personal skills required in careers of interest.

The Practicum Job Shadowing Program offers a variety of high-quality field placement opportunities which expose students to different career paths. Our partnerships with Presence Health and Advocate Lutheran General allow Practicum students to observe rotations in various medical departments. The classroom component extends and deepens students’ field experiences through personal interest assessments and reflection papers.

#### **COLLEGE & CAREER EXPLORATION**

Within the Practicum Job Shadowing Program, students are given the opportunity to explore career interests beyond job shadowing. Through workshops, seminars, and placements, students are able to dive into their career interests to obtain hands-on experience in a variety of placement opportunities.

Participants of the program are given the opportunity to test-drive career paths, often confirming their desire to pursue a particular field, or choosing a different path well before committing to a college plan. Parents of participants find their daughters entering college with more clarity and confidence in choosing their college major and career direction. Our Practicum Job Shadowing Program students have entered college with greater focus, saving time and money as they plan their futures.

#### **PROGRAM PLACEMENTS**

*Some placements have included:*

Architecture  
Athletic Training  
Banking  
Business  
Cancer Treatment  
Child Care

Veterinary Medicine

# STUDENTS EXCEL ATHLETICALLY AND ACADEMICALLY WITH INTEGRITY, RESPECT, HARDWORK, AND LEADERSHIP

**RESURRECTION COLLEGE PREP STUDENT-ATHLETES  
LEARN TO EXCEL PHYSICALLY AND ACADEMICALLY WITH  
INTEGRITY, RESPECT, HARD WORK AND LEADERSHIP,  
WHILE SETTING PERSONAL GOALS IN A COLLABORATIVE  
TEAM ENVIRONMENT.**

Resurrection College Prep High School is a proud member of the Girls' Catholic Athletic Conference (GCAC) and the Illinois High School Association (IHSA).

Over half of the student body participates in an athletic sport. With twenty-six teams and twelve sports to choose from, we offer a wide range of options for athletes to test and strengthen their limits.

The Resurrection campus includes ample green space in the midst of our Chicago neighborhood. With over 22 acres of land, our campus is filled with room for our many sports teams to practice and compete.

**OPPORTUNITIES ARE  
PROVIDED TO DEVELOP  
THE WHOLE PERSON –  
HEAD, HEART, INTELLECT,  
FEELINGS, CONSCIENCE,  
IMAGINATION AND CURIOSITY**

**25%**

Students who go on to  
participate in fine arts  
beyond required credit

#### **DRAMA**

Students develop performance skills and theatrical knowledge through class instruction, activities, and cocurricular school plays. Various courses in acting, stage management, and costume design are available. The Resurrection Theater Department produces two plays annually.

#### **MUSIC**

Students expand vocal and instrumental talents through class work and concert performances. *Music ensembles include chamber orchestra, band,\* jazz band,\* and liturgical choir.*

#### **DANCE**

Students learn the history of dance as well as explore and perform various dance styles. Through coursework, students build their comprehensive capabilities and power to communicate with others through the non-verbal medium of dance. Skills learned are highlighted bi-annually through dance showcase performances. *Students can also develop and enrich understanding of dance with participation in the orchesis dance team.*

#### **ART**

Students gain proficiency in the basics of drawing, color theory, and design through experiences with a wide variety of art media. Course instruction includes 2D, 3D, digital photography, and graphic design. Student artwork is highlighted annually in the art showcase.

*\*In conjunction with Notre Dame College Prep*

# STUDENTS EXPLORE NEW ACADEMIC INTERESTS AND CREATE LASTING FRIENDSHIPS

40+

Clubs and activities are  
available for students at  
Resurrection

Co-curriculars provide an important avenue for student growth through academic, performance, service or leadership opportunities. Our commitment to this aspect of our students' education is demonstrated through our Activity Tuesdays. With a rotating schedule, many clubs and organizations hold their monthly meetings within a Tuesday school day. Other organizations meet either before or after school to provide even more learning experiences.

# THE CITY MEETS THE SUBURBS

30

Resurrection students  
come from 30 zip codes in  
the Chicagoland area

# FINANCIAL INFORMATION AND TRANSPORTATION

## FINANCIAL

Tuition for the 2019-2020 school year is \$12,100. Resurrection strives to keep a Resurrection education accessible.

**Tuition does not cover the full cost of a Resurrection education. The generous support of our alumnae, donors and sponsors allow us to subsidize the actual value of a Resurrection education by approximately \$3,900 per student.**

**100% of students receive this subsidy** – the difference between tuition and the actual cost of a Resurrection education.

## LOCATION & TRANSPORTATION

The campus is located off the Harlem Avenue exit from the I-90/Kennedy Expressway in Chicago and is easily accessible from the suburbs. The school is less than a mile from the CTA Harlem (O'Hare Branch) Blue Line and immediately on the 88 Higgins bus route. Chicago Transit Authority (CTA) Ventra student cards are available for \$2 purchase and students are given a reduced rate of \$0.75 per ride when travelling to/from school. Parking permits are also available for purchase.

## THREE OPPORTUNITIES FOR FINANCIAL AWARDS

Approximately 35% of Resurrection students receive financial awards in the form of scholarships, tuition assistance and/or work study.

### Scholarships

Over 40 need-based and merit-based scholarships are available, covering a wide range of interests and requirements. *To be eligible for The Block Family Foundation Scholarship, awarded to our "Top 10" test scorers, a student must take the Entrance Exam at Resurrection College Prep.*

### Work Study

Preference is given to freshmen and sophomores to help defray the cost of tuition by cleaning classrooms after school.

### Tuition Assistance

Applications for tuition assistance are reviewed by an independent service. Awards are given in varying amounts based on total need of applicants and funds available.

## 2019-20 Cost of a Resurrection Education

Tuition _____	\$12,100
Fees & other expenses (approximate) _____	\$1,200
Chromebook _____	\$380

receive financial awards

# ADMISSIONS INFORMATION

**LET'S BEGIN THE ADMISSIONS PROCESS TOGETHER. IT'S EASIER  
THAN YOU THINK. JUST FOLLOW THE STEPS BELOW.**

## **SCHEDULE A SHADOW DAY**

**September - November 2019**

Eighth grade girls are invited to spend a day with a student sitting in on classes, meeting the faculty and students, and learning why nearly 500 girls love to call Resurrection home.

## **COME BY FOR OPEN HOUSE**

Attend an Open House event to receive a personalized tour from one of our students. Meet faculty and staff, see our campus and experience Resurrection College Prep with your family.

**Thursday, October 10, 2019**

**6:00 pm - 8:00 pm**

**Sunday, November 3, 2019**

**1:00 pm - 3:00 pm**

## **ATTEND AN EVENT AT RESURRECTION**

Check out our website for the full list and keep an eye on your email for all that's happening at Resurrection. We'd love to see you on campus for a play, athletic game, Jr. Bandit event, and more!

## **TAKE THE ENTRANCE EXAM AT RESURRECTION**

**Saturday, December 7, 2019**

Arrive at Resurrection by 7:45 am.

Register online prior to the exam at [www.reshs.org](http://www.reshs.org).

## **COMPLETE THE APPLICATION FOR ADMISSION IN DECEMBER**

The application for admission will be made available on Saturday, December 7.

## **Admissions Criteria**

Admission is based on several factors, including the applicant's score on our entrance exam, junior high academic and behavioral records and junior high standardized testing scores.

Resurrection does not discriminate on the basis of race, color, religion, national and ethnic origin in administration of our educational policies, admission policies, scholarships, financial aid programs, athletic and other school-administered programs. Resurrection College Prep High School abides by all applicable policies of the Archdiocese of Chicago and the IHSA. In doing so, Resurrection College Prep High School does not promise or offer athletic scholarships of any kind. Violations of IHSA policies may result in loss of eligibility for the student, coach and/or school. In recognition of our shared ministry, Resurrection College Prep High School also does not promise, predict or otherwise allude to specific dollar amounts regarding tuition assistance or financial aid before a student takes the entrance exam. Resurrection College Prep High School promotes the best attributes of our own school while respecting the legacy and traditions of other Catholic high schools.

# IMPORTANT DATES

## Open Houses

**THURSDAY, OCTOBER 10, 2019**

6:00 pm - 8:00 pm

**SUNDAY, NOVEMBER 3, 2019**

1:00 pm - 3:00 pm

Stop by any time during these hours  
for a personal, guided tour!

## 8th Grade Timeline

**Schedule a Shadow Day**  
September 2019

**Open House #1**  
Thursday, October 10, 2019  
6:00 pm - 8:00 pm

**Open House #2**  
Sunday, November 3, 2019  
1:00 pm - 3:00 pm

**Entrance Exam**  
Saturday, December 7, 2019

## Jr. Bandit Events

**Junior Bandit Night**  
Friday, November 15, 2019

**Rest, Relax at Res**  
Friday, December 6, 2019

**Jr. High Fine Arts Workshop**  
Friday, January 31, 2020
