

PENNCREST

EMPOWERING LIFE-LONG LEARNERS

August 29, 2019

Dear Parent/Guardian,

Thank you for your patience with our new initiatives and changes to our school routine. We firmly believe the changes will improve student safety, education and home-school communication.

PowerSchool is a comprehensive records management system that includes an electronic gradebook, student registration, emergency notifications, and more.

Each family will need to complete the online Returning Student Registration at PowerSchool's [Unified Classroom](http://classroom.powerschool.com) portal. If you are unable to complete the online registration process please contact the school office for assistance **or** submit a hard copy of the **Returning Student Registration** information packet to the office. Packets are available in every school's main office or at www.penncrest.org.

Online Registration at
<http://classroom.powerschool.com>
