

## Undergraduate Exam Schedule

### General Guidelines:

Exams should be scheduled for three (3) hours using the below schedule. The final exam period is considered part of the academic term and is used in calculating the required number of contact hours for academic credit. Final exams may not be administered on Reading Day or on the final day of classes.

If a student is scheduled for three (3) exams on the same day, he or she may request that one exam be rescheduled to another day at a time to be coordinated between the instructor and student.

Classes that fall within one of the designated times on the exam schedule, even if not an exact match, should use the designated time slot on the table. For example, a 2:00 p.m. MW class will use the exam slot designated for 2:00 p.m. MWF.
