Teacher Vacancies
2019-20**

The International School of Indiana is seeking the following teaching position(s) in the Upper School for the 2019-20 school year:

- **Substitute Teachers**

We maintain a list of suitably qualified candidates who are available for short or long term substitution teaching.

We are especially interested in substitute teachers for our language classes who are native speakers of French, Mandarin or Spanish, and who can be available at very short notice.

In order of preference we employ substitute teachers who:

1. hold an appropriate teaching certification and/or are a native speaker of the language in question;
2. have the necessary skills and experience to be an effective substitute teacher;

Our substitute teachers need to identify with the model of education we offer, be positive team members and be supportive of the school's efforts. All substitute teachers must have the right to work in the US and must complete a background check.

Please send a letter of interest, resume, and contact details for professional references by email to resumes@isind.org with "substitute teaching" in the subject line.
